Did you know?

Here are a few comments about the business side of Peridia for the first six plus months of 2022.

The golf course is doing very well. 2021 was a very good year. Brian tells me that as of July 15th, we were 277 rounds ahead of last year. There was a waiting list for the tournaments on Memorial Day and July 4th. There is a good chance that the Labor Day event will also be filled. Brian has announced that sign up for that event will begin on August 5th. Be sure to sign up early to reserve your spot.

Business at the Club and the Tiki Bar has been very slow lately. The one bright spot is that the Summer Sizzler was a sellout. Because of this lack of business, we are slightly below our budget estimates for the year. This is nothing to be alarmed about yet and lots of members will soon be returning. But until that time we could use your help over the next two months. Consider using Peridia an extra few times as your venue for lunch or dinner. We all benefit when members USE THE CLUB.

Aggressive door to door solicitors, car break-ins and Responsible Pet Ownership

By: Pam Wallace, Chairperson, Peridia Crimewatch and Safety Committee

The summer months have brought more door to door soliciting to our community as well as others close by. The difference recently is that they have become very aggressive and combative when told that the homeowner is not interested and/or asked to leave the property. Several confrontations have resulted in calls to the Sheriff's Dept. and in one instance a homeowner in a near by community confronting the solicitor at gun point! Many are selling pest control services and have a shirt on with the company name of Aptive. They have been filmed and photographed trying to persuade the person opening the door to buy their services. They have even opened the outside front screen doors and propped them open so when the homeowner answers the door they are face to face and in some cases allowing pets to run outside. They most recently have been asking for a bottle of water and if the homeowner turns to get it, they attempt to enter the house. This behavior should not be tolerated by anyone. In Florida it is a crime to solicit door to door without a permit, per FL Law, statute 501.021. It requires that individuals who engage in door-to-door solicitation activities that sell goods or services at more than \$25.00 to obtain a permit. Peridia has a no-soliciting policy, as do most sub-divisions but that does not deter these people at all it seems. So, as I have stated before, just don't open the door to strangers, no matter who they are. If you see anyone on your property that you can't identify, call the Manatee Co. Sheriff's Department.

Several car break-ins and thefts have been reported in communities that are close by to us. They are getting braver and breaking the passenger side windows to obtain access to the vehicles, so remember if your vehicle is left outside, remove all valuables and be sure it is locked.

Several residents have asked that I address the subject of dogs that are using the bathroom on their property and not picking it up. Manatee Co. has a leash law for all dogs and cats that states they must be on a leash no longer than 8 feet and the person walking the animal must be in control of the pet at all times. In 2006, Manatee Co. passed new animal control regulations regarding bad pet behavior and how much it can cost violators. Fine for not getting a license for a dog or cat is \$200.00. If animal is not wearing a tag, the fine is \$100.00 and if pet poop is not picked up it is also a \$100.00 fine for the first offense, \$200.00 for the second offense and \$300.00 for the third. Dog feces is toxic to your lawn causing burns and unsightly discoloring. It is also a common carrier for hook, round and tapeworms, Parvo, salmonellosis and other bacteria that can be potentially lethal to our pets. Proving a dog illegally pooped in your yard can be done by getting 2 people to report it or one person can make a report if they have a photo of the dog caught in the act. If this is the case, please contact Manatee Animal Control. Also, the Peridia Master Documents, section 10.10 state that all pet owners must be fully responsible for the actions of their pets and exposed excrement on lots, lawns or boulevards shall be considered a nuisance and an unreasonable annoyance. Also, each Peridia component has documents related to this that may be more strict, so review your specific HOA documents if necessary. Most all Peridia homeowners are very responsible and this issue does not represent the majority, but as new residents/renters move into Peridia, they need to be aware of the county ordinances as well as Peridia's governing documents. Also, remember that dogs are not allowed on the golf course at any time.
