## From the Golf Course Superintendent

Happy Holidays from the maintenance crew and I. It has been a long, but productive Summer with the new irrigation system installed, lake erosion measures done to 2 lakes, drain basins throughout Course raised, drainage system on #7 and #8 modified, #3 headwall repairs, as well as all of the normal maintenance summer brings. The projects will enhance not only the aesthetics, but also playability. Enjoy the golf course and I hope to see you out there.

# President's Blog

'Tis the season....

I hear the northerners started putting out their December decorations before Thanksgiving creating an unprecedented snowfall, which bombarded the northeast a month early, forcing our snowbird members to begin flocking down to warm and wonderful Peridia. Hopefully they arrive in time to enjoy the brilliant holiday displays in the Clubhouse. The Social Committee always devotes time and effort into sprucing up your club for the season. Please stop into your club often because there's plenty to see and do.

JOY  
to the world

Colored lights and holiday figurines have also emerged all around our neighborhood. It's best to see the brilliance in the evening after sunset. No worries though, the weather will not be flaky like it is up north. As I walk Lucy, my dog, around Peridia I've also noticed several garage doors still open after dark. Please check that your big door is closed so that your ... "to be jolly, fa, la, la, la, la, la, la, la, la" is not spoiled by a sneaky Grinch.

December's calendar is filled with holiday events. Hopefully you've signed up for as many as possible. The early birds or snowbirds get the worms, but calling to see if there's room to include your family won't hurt. With all the interest for tables, the office creates waiting lists for full events.

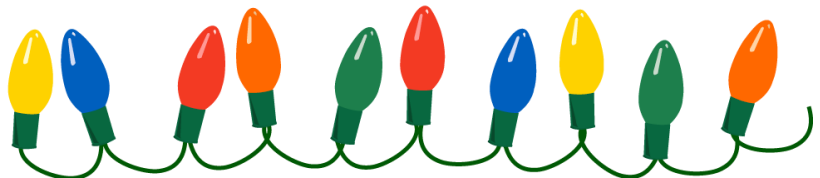

Peridia Golf and Country Club offers numerous unique experiences. We have the only par 60 executive golf course in Manatee County. Our club invites members and public into the Clubhouse restaurant for food and drinks daily. Our "every" Friday night dances, the day-to-day promotions, and the Tiki Bar continually attract Club patronage. Come enjoy the pleasant faces of Peridia.

As a "Not-for Profit" HOA in Florida we rely on the support of our members and public on the Golf Course, in the Golf Shop and Restaurant for revenue. As an owner in this community, I'd like to thank those of you who speak positively about our Club. I have experienced how member enthusiasm about the Golf Course, the Restaurant, its food and events improves our bottom line. When looking to buy a home in Bradenton, it was the members' passion for Peridia that helped sell us on this neighborhood. I understand that "opinion's vary." But I'm reminded of an old saying, "If you don't have anything nice to say, don't say anything at all" actually works." Being positive plays an important part in the success we all want for this community.

The public's participation on the Golf Course and in the restaurant has helped significantly with our budget necessities. They are credited with nearly 70+% of golf revenue and a large percentage of restaurant income. It's very important that we continually attract more public to supplement our expenditures. So again, I'd like to thank you for insuring our success by speaking highly of your Peridia community.

Finally, I'd like to thank all members for your contributions to the Employee Holiday Fund. The staff with whom you interact and those you've never even seen share your donations. They appreciate your thanks for their efforts as they serve Peridia Golf and CC.

Joy to Peridia,  
Bill Handy,  
Master Board President

## Neighbors Helping Neighbors - A Peridia Community Outreach Program

Maybe you don't feel comfortable going to the Clubhouse pool by yourself and would like someone to sit poolside and wait while you do your exercises or just enjoy the water. Or you'd like a neighbor to pick you up and take you to a meal or activity at the Clubhouse and then return to take you home. These are just two examples of how volunteers are willing to donate their time to assist their neighbors in Peridia.

Many folks in our community already have a support system in place...a relative, friend, or neighbor who helps out when you need it. But there are other people you may not know yet who are available and willing to offer assistance. You may be a spousal caretaker who needs a few hours respite to go shopping or just get away for awhile. We are happy to provide someone to come to your home to keep the person you're caring for company.

If you have trouble using up your food minimum, we can help by picking up and delivering meals to your home from the Club restaurant. Or we can provide a ride to the Club so you can enjoy a meal or activity onsite...like cards, lunch and a book, bingo, or whatever is being offered that you would enjoy. We also have been gathering information on various resources that may be of interest to you such as Meals on Wheels and other services.

If you'd like to request assistance, please contact Pat Smith at 941-739-7114 or Carol Boles at 941-666-8582. Let either of these ladies know what you need and they'll see if we have someone who can provide that particular service. **Don't be shy about calling us!**

## EVERYONE IS INVITED

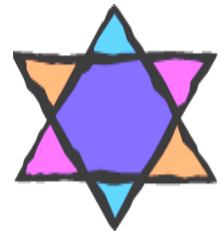

Please join us on Sunday, December 9, from 11:00AM to 3:00PM for our annual Chanukah Brunch and candle lighting.

We will have the Palm Room for our gathering.

We hope many of you will join us.

Please contact: Billie Dimmer at 756-7588 or

## Tips on Staying Safer!!!

By: Pam Wallace, Crimewatch Committee Chairman

Sometimes we don't realize that there are many things that we can do to keep ourselves more active and even safer, so I wanted to offer a few tips that may be helpful.

1. **Get involved socially** - Isolation is a huge risk for seniors, particularly those that are living alone. Many find that they have few contacts in their local area. Family connections may be limited too. Thankfully, there are many activities that you can get involved in. It's mostly a matter of making a concerted effort to do so. Focus on things that you might enjoy. This also helps you to find other people with similar interests to you.
2. **Seek help before you need it** There is still a huge stigma surrounding mental health – and the topic isn't talked about as often as it should be. But, if you're at all concerned, seek help earlier rather than later. This might be as simple as reaching out for more social contacts or getting involved in life a bit more. Alternatively, you might need to talk to your doctor about medication or therapy, especially if you are struggling. You also need to make sure your environment is safe. Some of these tips help reduce the risk of accidents, while others help make sure you are okay if anything does go wrong. You also need to make sure your environment is safe. Some of these tips help reduce the risk of accidents, while others help make sure you are okay if anything does go wrong.
3. **Have a lockbox** A lockbox is a way to store a spare key outside of your house. These use a combination lock, which you can give to people that you trust. This is an effective way of keeping your home secure while making sure people can quickly gain access when necessary. The box also saves you money, as it reduces the likelihood that someone will need to break a lock or a window to access your home during an emergency. Many alert systems also work with lockboxes. For example, Life Station Medical Alert will provide the box and gives emergency responders the appropriate code if there is an emergency.
4. **Have a system for checking in** - Set it up so that you check in with people at regular intervals. Perhaps they call you or maybe you call them. It doesn't have to be a long conversation, just a minute or two. But it is a way of making sure that if anything happens, people know about it. Some people suggest daily check-ins, others suggest doing so weekly. The best answer will depend on your health and situation. For example, if you are independent and healthy, daily check-ins may seem extreme. But they can be necessary for people with significant health challenges.

I hope you find this information helpful; if not for you, perhaps to share with friends or loved ones. Peridia is a great community that offers so many opportunities to become involved in a variety of activities. Please, take a look at the Scorecard to see what offerings you are attracted to and try one or two or more! You will be so glad that you did!

Peridia remains a safe place to live and for that we are all grateful. Enjoy your holidays as we all look forward to spending time with friends and family as we soon welcome 2019 (can you believe it?)
