The golf course continues to be busy with both members and the public. Please remember that members can book tee times a week in advanced, so take advantage of it and play more golf.

The PLGA will be having their Member/Guest on February 21st. The sign-up sheet will start on February 1st and is limited to the first 96 golfers. When you sign up, you must pay for you and your guest. No reserving and then paying later will be allowed. This event will fill up fast, so please don't hesitate. The cost is \$39 per PLGA member or Peridia member and \$49 for someone who is not a Peridia member.

Qualifying has already begun for the shootout on March 5th for both the PLGA and the PMGA. Cost is \$5.00 and qualifying goes through the month of February. You can register for this fantastic and fun event in the Pro Shop.

I have been asked many times about the price a guest of a member will pay at Peridia during the 2023 golf season. Guests of members will get a discount in price, but only if they are playing that day with a member. The member guest price is \$37. Hopefully this clarifies any confusion.

While walking our dogs around Peridia, please do not throw away the poop bags into the trash cans that are on the course.

Hope to see you out on the links. Happy golfing!!!!

SUPER BOWL PARTY:

Tom Messano has put together a great night at the Clubhouse to come in and enjoy the Super Bowl with your friends and not have to clean up after they leave. The doors will open at 5:00PM and the cost is \$25 per individual, \$40 per couple. The food will be available starting at 6:00PM. Tom Messano has a big screen TV planned, so everyone can see the game. Sign up ASAP. Don't miss out on a fun night.

DOG POOP:

Dogs are not permitted on the golf course, day or night. Our golfers are finding new brown tees left on the golf course mostly on the back nine. DOG WALKERS, PLEASE PICK UP AFTER YOUR DOGS!!! Those of you that are picking up after your dog, Thank You, but please take your dog's business home and throw it away.

RESERVATIONS FOR MEMBER EVENTS:

If you are reading my Manager's Corner and you haven't made a reservation for the Valentine's dinner dance, put down The Scorecard, and call Mona, because this dance will sell out in the first couple of hours. Are you having trouble getting into the special events? Here is a little tip, Mona starts taking reservations 14 days out from the event, giving everyone the same opportunity to reserve their table. When you call, if the event has been sold out, ask to be put on the wait list. We always have cancellations prior to the event due to illness. When that happens, Mona will go straight to the phone and call the next person on the wait list. Most everyone on the list has an opportunity to attend.

PERIDIA'S "ON THE TURN" MENU:

This is the first year that we have had a problem with pace of play on hole number 10. We are having golfers making the turn after 9 holes looking for food. When this happens, it creates an opening in the pace of play that causes a ten minute slow down on the golf course. So, Brian, Brad, Chef, and I put together a 4-item sandwich menu that will be placed on the steering wheel of each cart. The menu gives the phone number to call ahead to place your food order. This system is the same system as our "To Go", which works great.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Just a few words from the Golf Advisory Committee. First, we would like to take the time to thank Tom Donato and Ray Bartels for quickly getting the 40 replacement palm trees. The course and grounds lost some 40 trees from the recent storms. Ray and his staff did all the prep work and then the firm that supplied the Foxtail Palm Trees, took over. They all exceeded our expectations on size. Tom Donato did a great job for the Club.

In the near future, the grass area that was created where the new circular cart path was made at the 7th Tee will be changed with shells and sawgrass and the grass removed. The area is traditionally wet and even when additional drains were added the area remains wet. The shells will eliminate any mowing and there is no need to have any carts in the area, as this area is normally a non-play area of the property.

Joe Walter is ending his term as President of the PMGA and therefore is leaving our committee. We want to thank Joe for his time and service.

Scams, Crime related items and Traffic Safety Alerts

By: Pam Wallace, Chairperson, Peridia Crime and Safety Committee

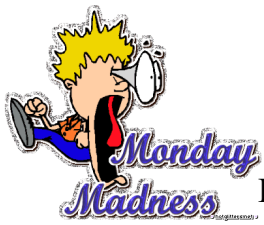

Happy February!!!! We had a very lovely holiday season here in Peridia, despite the cold. You can always tell the snowbirds from the year round residents, especially on the golf course. The snowbirds are wearing shorts and all others are bundled up in 4 layers of clothes. (that would be me for sure)!

A few of the new scams including the Estate Scam. You receive a letter saying that someone with the same last name is dying or has recently passed away and wants you to inherit the estate. If you proceed, there will be some sort of good faith payment due from you to them which they will keep and then disappear. Another is if you need to call your bank for some reason and do an online search for the phone number numerous numbers will appear. Criminals post fake customer service phone numbers online to trick people into calling them. If you need to call customer service, always go directly to the bank's website or look on your account statement or on the back of your bank card for the correct and secure number. And always remember the IRS, utility companies and social security will never call you. So, if you receive a call from them, do not answer or hang up immediately if you do.

Locking your car is the best deterrent to keeping your vehicle and its contents safe. Also, motion lights are always good to have outside your home, as well as on your lanai. Criminals often try to break in from the back as to not alert the neighbors in front or beside you, so use those outside lights for more security.

Now that all the redlight cameras have been removed in Manatee Co. it is a 'free for all' at the intersections. That, plus all the roundabouts, has caused a lot of confusion and many accidents. Please be careful and understand how to proceed through a roundabout. There are quite a few videos on line that can guide you through them. The increase in traffic surrounding Peridia has more than doubled in the last few years with no sign of letting up. Acreage at the corner of 45th and 44th on the Sabal Harbor side has a developer who wishes to build townhouses and some light commercial buildings there. A Manatee County Zoning meeting will be held in March to have it rezoned from agricultural to permit the townhouse construction including parking to accommodate 300 parking spaces. 44th St. land is very valuable and sought after because of the road extension project that takes it out to LWR. Also, numerous warehouse/storage buildings are being built at 301 and 44th where Bealls warehouse is. This will increase truck traffic 24/7. I presume they will have to have an additional entrance to the one they have now to accommodate the traffic. Apartments/townhouses are being built on 301 and 30th, so a year from now the footprint there will be very different than it is today.

Remember to look out for one another and if you see something, say something. Peridia is a safe community and we must all work together to keep it that way.

WHAT'S THE SCOOP?

By the Social Committee

Our first Snowbird Ball was a tremendous success! The room decorations, the fabulous plated dinner, and the band were great; but most especially our friends and neighbors decked out in their 'winter whites' is what really made the party. Special mention must go out to Leroy Hocking for wearing the absolute best "Florida Tuxedo" we have ever seen! Thanks to a great team on the social committee, as well as the many friends and neighbors who totally filled the Clubhouse.

This month we are getting our hearts and flowers ready for a Romantic Valentines dinner dance. And mark your calendars for our March 17th, St. Patrick's day dinner party at 5pm.

The final event of the year will be in May, and Karen Vowles is planning on something new and different for us.

HOME INSPECTIONS BY BUDDY THOMPSON INC.

A RESIDENT OF PERIDIA COUNTRY CLUB

Hello Neighbor: When you own or purchase a home, rental property, or a condo in Florida, you will likely need a 4 point inspection before purchasing a homeowners policy.

WHAT IS A 4 POINT INSPECTION ? The Roof, Electric System, Heating, Cooling and Plumbing. A 4 point inspection takes about 30 minutes and is only visual. Now your Insurance company may want you to get a Wind Mitigation.

WHAT IS A WIND MIDIGATION? Wind mitigation is the process of adding features to your home that help withstand or increase resistance to high winds caused by a major storm or hurricane. **Why Do Florida Homeowners Need It?** *Safety:*

In addition to saving you money, mitigating your home against severe weather can also protect your family in the event of a major storm. Installing hurricane shutters on your windows or hurricane straps on your roof reduces the risk of flying debris penetrating your home and putting your family in danger.

Now if you are selling a home or condo, you may want to get a inspection to make sure everything is working properly and no issues like water stains in the attic, leaky faucet, appliances, hot water heater etc. A new buyer will have an inspection before purchasing so you don't need problems. If I can be of any help please feel free to call on me.

I'm just around your corner. Thank You. Buddy Thompson . **941-704-0072**
