By Brian Schmidt

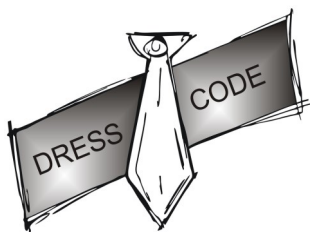

Happy February everyone. The Golf Course continues to be busy with both members and the public. Please remember that members can book tee times a week in advanced, so take advantage of it and play more golf.

The PLGA will be having their Championship event on January 26th, February 2nd and February 9th. There will be a free poolside lunch following the round on February 9th. The Scramble and Championship Awards Luncheon will be on February 23rd. Please sign up as we get closer to the date.

Qualifying has already begun for the shootout on March 7th for both the PLGA and the PMGA. Cost is \$5.00 and qualifying goes through the month of February. You can register for this fantastic and fun event in the Pro Shop.

I have been asked many of times about the price a guest of a member will pay at Peridia during the 2021 golf season. Guests of members will get a discount in price, but only if they are playing that day with a member. The member guest price is \$33.00. Hopefully this clarifies any confusion.

Hope to see you out on the links. Happy golfing!!!!

Members: Please remember our Dress Code when bringing guests to the Clubhouse.

General Manager's Corner

Since March our lives have been turned upside down with the COVID-19 which has become an obsession with all of us. We hear about it and see it on every news outlet from the time we get up in the morning until the time we go to bed at night. To help you feel more comfortable with coming to the Club, we believe we are doing our part in keeping you safe while you are here. The following is what we are doing:

1. All guests will have their temperature checked before entering the Clubhouse. 99 degrees or less is acceptable.
2. Staff's temperature, will be taken at the beginning of each shift and no one will be allowed to work with a temperature over 99 degrees.
3. There is hand sanitizer at all entrances.
4. We use our fogger each day to sanitize the Tiki Bar area, the fire pit area, the pool area, the dining room area, the bar area, the Palm room, the lobby, the offices, the bathrooms, the Pro Shop and each golf cart. That means that every square foot of the facility is sanitized.
5. Menus are thrown away after each order is taken.
6. All condiments are disposable.
7. We ask that each member try to observe the social distancing of at least 6 feet.
8. Staff will wear masks during service.
9. The preferred transactions will be by credit card or member account, CASH transactions are discouraged. These types of transaction will help restrict interaction with guest and staff.

Our goal is to give you the same secured feeling at your Club as you feel when you are at home.

Our Golf Course is busy!!! We are trying to get as many golfers on the course that want to play. This is about 200 golfers each day. From now through April, I am asking our golfers to please double up when riding in a golf cart. If everyone doubles up, we can get every golfer on the course that want to enjoy playing Peridia. Once we get to May, when our rounds level off to about 100 golfers per day, we can then give those members their own cart so they can ride alone. So, please help us give everyone an opportunity to play our great golf course during these busy times. Thank You!!

Starting in February, we will be asking our entertainment to perform out in the Tiki Bar area from 4:00PM to 7:00PM on Friday nights. The office will send out e-mail blasts prior to Friday nights to let you know if we have entertainment and who is playing. We are hoping to give our members an avenue to enjoy the entertainment and at the same time feel safe in their surroundings. Dinner reservations will be required for Friday night's outside dining, seating that is available will be 3 tables of 6 or 8 and 8 tables of 4 or less.

The hedge that was hiding #10 tee has been removed and the view looking down the fairway is fantastic! Great idea Mr. Roell!

**THE GEESE ARE BACK!!
PLEASE DO NOT FEED THE GEESE!!**

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

Did you know?

We have an active set of standing committees at Peridia. These committees include Social, Restaurant, Golf Advisory, Tennis-Pickleball Advisory, Long Range Planning, Finance and Crime Watch. If anyone is interested in serving on any of these, let me know. Membership on some is limited, but there are often openings that need to be filled.

This month I am going to comment on the recent work of the Golf Advisory Committee under the chairmanship of Ed Helmer. Recently they have put forth four suggestions. Some have been implemented, some partially implemented and one is on the drawing board.

1. Benches. We have a bench where walkers might rest on each hole. Over the years, many of the benches managed to end up in a place where they were seldom, if ever, used. The Committee along with the assistance of Ray Bartels has re-positioned those benches where possible so that they might actually be utilized.
2. Hedge. The Committee was instrumental in suggesting that the hedge on Peridia Blvd. behind the #10 tee be eliminated. That has been done and the result is a more open view of Hole #10. There are plans to put some palm trees in that area similar to what was done on Hole #17. I have heard only positive comments about this change.
3. Driving Range. If you have ever used the driving range, you know that there is no way to know how far you are hitting the ball. Floatable distance markers in the form of attractive swans have been purchased. As I write this, they have not yet been installed.
4. Desk. The Committee is exploring the replacement of the computer desk and chair in the pro shop. After more investigation, they will probably be making a recommendation to the General manager.

The above is just one example of how our committees try to do things which improve both the appearance and quality of life at Peridia.

As the pandemic continues, do not forget that you can USE THE CLUB by ordering takeout meals.
