I have been asked many times about the price a guest of a member will pay at Peridia during the 2022 golf season. Guests of members will get a discount in price, but only if they are playing that day with a member. The member guest price is \$34.00 Hopefully this clarifies any confusion.

Hope to see you out on the links. Happy golfing!!!!

General Manager's Corner

2021 turned out to be a very good year! The Club is showing an un-audited profit of \$63,971. That number will most likely change as we go through the year end audit which will start in early February.

Our Capital improvements that were completed in 2021:

- Condenser for kitchen air handler
- Additional landscaping for Peridia's front entrance
- Golf course drainage on our front nine
- New and re-built golf course equipment was purchased
- New 75 horse power pump was installed for our irrigation system
- 15 new palm trees were planted
- Roofs for both golf course restroom buildings were replaced
- Complete re-design of the bulkhead on the pond on the left side number 3 fairway and left side number 3 green
- Complete re-design of the bulkhead on the pond to the left side of number 4 tee box
- Complete replacement of our bridge between number 18 green and the Pro Shop

The Cart Path repair project was rescheduled for May, 2022 due to the rainy month of September, 2021 and the lake bank enhancement project was also moved to 2022 due to the COVID outbreak with the contractors' employees.

The hedges around the Club's parking lot have been removed. Eagle Golf, who is building our new bulkhead in the cart staging area, removed the hedges last week. Replacement foliage will be determined by the Board of Directors at a later date.

This year we received another \$5,000 worth of free landscaping coming from Bloomings, our Landscaping Contractor. Plans are to use the funds to give the grass area at the front entrance an upgrade by using Bermuda grass. There are some additional maintenance costs that Bloomings has agreed to cover, such as weed control, additional fertilizer and a new mower. Additional plantings are planned for Peridia's north entrance at the corner of Peridia Blvd. and Murfield Drive. Also scheduled for this summer are landscape improvements at Peridia's two entrances on 45th Street.

Our sand trap renovation project which was scheduled for late summer in 2022 has been canceled by the Contractor due not being able to fit our project into their schedule during the summer months. Based on discussions with the Contractor it has been decided that the project can be started immediately and be completed by March 1st without closing any holes. "Closed Under Repair" signs will be placed at each sand trap during renovation of that trap. Certainly it is an inconvenience to our members but we will have the advantage of improved sand traps for the remainder of the year.

A number of the capital projects are being tackled during the season this year whereas in the past they have been scheduled for the summer months. Reason is availability. Several of our contractors are completely booked for their summer months due to most Florida Golf Clubs scheduling their capital improvement projects during the off season. It has been decided to hire contractors during their slow months of January, February and March. Hopefully, regular summer month scheduling can return during the summer months in 2023.

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Tom
