Happy February everyone. I hope the month of February is a little warmer than January. The Golf Course conditions have continued to be in great shape for the winter season so hats off to Ray and his staff.

The PLGA will be having their Championship event on Tuesday, February 2 and Tuesday, February 9. The luncheon and scramble event are on Tuesday, February 23. Please sign-up as we get closer to the date.

We will continue to offer our putting and chipping clinics on Tuesdays and Wednesdays. Each clinic will be 30 minutes and the cost will be \$10 per person. Please sign-up in the Golf Shop ASAP as space will be limited to five participants.

Please stop by the Golf Shop for your next merchandise purchase. Most of the shoes, shirts and golf bags will be on sale in the Golf Shop as well.

Etiquette 101: Please be sure that you do not walk your dog on the Golf Course at any time. We have continued to find doggie messes on the course and as a golfer it is not a pleasant sight to see. We strive to keep the Golf Course in great shape and clean of all trash and debris. Please do your part to ensure that this happens.

Hope to see you out on the links. Happy golfing!!!!

As I am writing this it is 43 degrees and has been in the mid 40's and cloudy for the past few days. With these types of temperatures and weather conditions it is very common for Bermuda grass to turn an off color which looks like a purplish/brownish. The lower the mowing heights the more this will be noticed as with the Tif-Eagle Greens. This is the plant's natural defense as it is going into dormancy. Once we get a few days of sun and warmer weather the color will return. In the meantime, I will be applying foliar products, as well as pigments to help with the process and raise soil temperatures. Enjoy the golf course and I hope to see you out there.

General Manager's Column

February 2016

Thanks to all of you that have expressed your positive remarks about the changes that are occurring around the Club. The Saturday "Sliders and Fries"The 12oz beer after your round of golf....The lunch buffet for only \$8.00....The Friday night salad bar....The beef carving station that was added to our Sunday brunch....the additional hours of operation and our new menus. But all of this does not work without your participation, so thank you for coming back and giving us another chance to provide you with an extension of your home here at the Club.

The Golf Course is looking and playing as it was envisioned in 2014 when the new tees and greens were put in and the comments from first time players are "wow" fantastic experience, and they plan to be back. Our palm trees are scheduled to be trimmed and the guys will finish up sometime in March. Just a reminder, please keep your cart on the cart path around the tees and greens, which will help keep the grass from turning brown.

This is the time of the year that James likes to catch up on fixing the mailboxes in and around the neighborhoods. If you have one that needs some attention, just call me and I will schedule James to come out to fix it. James and I have started to look for projects that we can handle in-house this summer to help improve the appearance of your Club. Suggestions are welcomed.

Mitch has implemented a cart service where the cart person brings out a cart to your car so that you won't have to carry your golf bags to the loading zone in front of the Pro Shop. This is a free service, so please take advantage of it.

Chef Todd is now writing an article each month for the Scorecard. In his article he plans to publish one of his secret recipes each month. It should be fun to see if you can produce a dish as good as his, or better!

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Did you know less than 5% of Americans donate blood? It's considered a "good day" when there is a 3-day supply of blood products on the shelves.

**Our next Blood Drive will be on
March 10 from 1:30-4:30PM!**

We hope people will make time in their schedules to come and give. Please call Carol Milling @ 770-309-2348 for an appointment.

Pickleball was first introduced to Peridia less than two years ago. On January 17, Bill Springer and Evie Carswell, playing mixed doubles, won a GOLD MEDAL at the Bray Pickleball Classic in their very first pickleball competition. Helen Burgess won a bronze medal in women's doubles. Nine members of the Peridia community competed in a field of over 100 and many Peridians came to cheer us on.

Come to our courts and play the game. Our next champions are out there!

New Peridia Golf & Country Club directories will be available in May. Please have any phone or email changes into Nancy before March 15. If you wish to not have your name, address, phone, or email published, please email or provide a written letter to the Clubhouse. Nancy's email address is admin@peridiagolf.com.

Thank you!

I would like to thank you all for your patronage and warm accolades. It excites me to know that so many of you are happy with the food.

As many of you already know we rolled out new lunch and grill menus in January with some new salads, burgers and sandwiches on the lunch menu and some new appetizers and entrée items on the new grill menu for your dining enjoyment.

We started a new daily lunch buffet as well and I am glad to see it has gone over very well. The buffet, (just in case you didn't already know), is \$8.00 for all you can eat and it features a soup du jour, deli board, salad bar and a hot entrée. The buffet is available Monday through Saturday each week, from 11:00AM to 2:00PM.

My kitchen staff and I are constantly thinking of new ways we can tempt and please you all. There has been rumors of an all you can eat fish fry on Wednesdays, so be sure to keep your eyes and ears open because you never know when something new may come along.

Many of you have been asking me for recipes so starting with this issue of the Scorecard I will be posting a monthly recipe for you all to try at home. I hope you enjoy it. I am hoping once we have enough recipes on file we can write the first ever Peridia Golf and Country Club cook book.

Enjoy,
Chef Todd

Honey-Mustard Glazed Salmon Steaks and Fillets

Ingredients

- 1/4 cup Dijon mustard
- 1/4 cup whole-grain mustard
- 1/4 cup honey
- 2 tablespoons soy sauce
- 1 garlic clove, minced
- 1 1/2 teaspoons finely chopped thyme
- Four 6-ounce skinless salmon fillets or 6- to 8-ounce salmon steaks (about 3/4 inch thick)
- Canola oil, for brushing
- Kosher salt
- Freshly ground pepper

How to make this recipe

In a medium bowl, whisk the mustards with the honey, soy sauce, garlic and thyme.

Light a grill or preheat a grill pan and oil the grate or pan. Brush the salmon fillets with oil and season with salt and pepper. Grill the salmon fillets, skinned side down, over moderate heat for about 3 minutes. Turn and grill about 3 minutes longer, until the salmon is nearly cooked through. Generously brush both sides of the salmon with the honey mustard and grill, turning frequently, until richly glazed, about 1 minute. (For salmon steaks, grill over moderately high heat, turning once, for 4 to 5 minutes, then brush with the honey mustard, turning frequently, for 1 minute.) Transfer to a platter or plates and serve, passing the remaining honey mustard at the table.

Make ahead

The honey mustard can be refrigerated overnight.

Serve with

Steamed or grilled bok choy.

Suggested pairing

Floral, full-bodied Torrontés, a white wine from Argentina, is superb with rich, saucy seafood dishes like this salmon.

Avoid Those Phone and E-Mail Scams Requesting Money!

By Ginny Lighthizer for the Crime Watch Committee

Once again, residents are receiving phone calls from people claiming to be “officers” from the Investigative Office of the Treasury. These individuals state that an arrest warrant has been issued for failure to respond to IRS notices. They go on to say that if the resident will make out-of-court restitution, perhaps the warrant could be cancelled. These are scams! The IRS does not call and threaten citizens and then request money. They use letters to contact taxpayers. You can look their phone number up in the phone book and call to verify that letters are in fact from them. Do not be intimidated by these heavy-handed techniques.

Calls from individuals claiming to be from a computer security company that is now handling the security of your computer and requesting money for this coverage are another popular scam. Always be suspicious of any call requesting or demanding money. Obtain as much information as possible from the caller, including contact information. Then verify that information with the Better Business Bureau, the phone directory and the company or agency they claim to represent. Notify the police if their info does not check out. Don't be scammed by unscrupulous individuals! Emails from former classmates, neighbors and relatives claiming emergencies, dire circumstances or extreme hardships while on a trip out of the country are all popular ruses from crooks. Again, verify all information with authorities or other friends or relatives before sending any money anywhere. If your grandson is really in jail, you can contact the jail independently and verify that. If someone claims to be out of the country, give them a call at home or verify that information with their other friends and neighbors. Don't let your good nature make you a target!
