Happy February everyone. I hope the month of February will be as warm as January. The Golf Course conditions have continued to be in great shape for the winter season so hats off to Ray and his staff.

The PLGA will be having their Championship event on February 7 and February 14. The luncheon and scramble event will be on Tuesday, February 28. Please sign up as we get closer to the date.

We will be continuing to offer our putting and chipping clinics on Tuesdays and Wednesdays. Each clinic will be 30 minutes and the cost will be \$10 per person. Please sign up in the Golf Shop ASAP as space will be limited to five participants.

Most of the pricing for shoes, shirts and golf bags are on sale, so don't forget to stop here first for your next purchase.

Please stop by the Golf Shop and meet our new Assistant Golf Professional, Nathan Routier. He is from Pennsylvania and is a PGA Apprentice with a degree in Golf Course Management. Nate has been in the golf industry for several years and will be an excellent addition to our team here at Peridia.

Etiquette 101: Please be sure that you do not walk your dog on the golf course at any time. We have continued to find doggie messes on the course and as a golfer it is not a pleasant sight to see. We strive to keep the golf course in great shape and clean of all trash and debris. Please do your part to ensure that this happens.

Hope to see you out on the links. Happy golfing!!!!

From the Golf Course Superintendent

By Raymond Bartels, CGCS

On February 1 and February 15 the Golf Course will be closed after 12:00 for maintenance, fertilization and an herbicide application. I apologize in advance for any inconvenience. This maintenance is necessary to get caught up on the Winter weeds as well as help the Golf Course with the amount of play we are seeing right now. With the Fairways, Tees, Collar and Approaches having Rye Grass sown into them, it makes the winter weeds extremely hard to kill without harming or killing the Rye Grassed areas. Rye Grass is in the same weed family as Poa Annua, which is the main weed that is germinating this time of year. I apologize in advance for any inconvenience. Enjoy the Golf Course and I hope to see you out there.

General Manager's Column

Rule of Thumb is to always start your Scorecard article out with something positive, but this month we are in a crisis situation so I am starting out with the negative subject: "GEESE".

PLEASE DO NOT FEED THE GEESE OR ANY OTHER ANIMAL!!

We are having a Goose problem here at Peridia where our Canadian friends are out there establishing their winter home. I have looked into plastic owls, dogs, hawks and even flying drones. At our Golf Advisory Committee meeting it was suggested that we set off firecrackers. I wish I had the answer to this problem but I don't, so if anyone out there has had some success from up north please stop by or e-mail your solution. Thanks!

This past month we had several functions that were sold out the first day that the Scorecard came out, so I have asked Nancy to upload the Scorecard to our web page at the same time the Scorecards are picked up by our volunteers. This will give every Member the same opportunity to sign up for our events.

The 2016 books have been closed, the financials show that the PPOA ended with a surplus of \$7,624. Our rounds were up over 2015 by 2,100. The restaurant, now open seven days a week during the season and six days a week during the off season increased its cover by 7,110 over 2015 covers. That is an increase of \$75,000 over 2015 revenues. Our department heads all did a great job in generating revenue and controlling costs. Over all, I think we have had a great 2016 and I am looking forward to another great year for 2017.

I was asked by the Golf Committee to remind our golfers to avoid stepping on the top of any bulkhead. We have had several members fall into the water on hole three and slip and fall coming off the 18th green. The combination of wet board and rubber sole is not safe, so for your safety please stay off the bulkheads when playing golf.

The new face in the pro shop is Nathan Rouiter, who comes to us from PA where he lived most of his 24 years. He graduated from the Golf Academy of America in Myrtle Beach SC in 2014. He worked at Bellewood Country Club in North Coventry PA as the assistant golf pro. Nathan is in his first year as a level one PGA Apprentice Golf Professional. Please take a minute to stop into the Pro Shop to introduce yourself and welcome Nathan to Peridia.

Please remember it is against our rules for anyone to walk a dog on the Golf Course at any time of the day or night. This is to help maintain our beautiful course but mainly for the safety of your animal. We use commercial grade pesticides that your puppy would take home and soon lick off its feet. Also, as a courtesy to our golfers, please do not dispose your doggy bags in the 17th hole trash can.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

February is the second month of the year and the shortest month of the year. It is the only month to have 28 days in a **common** year. A **common** year!

Who says 2017 needs only to be **common**? Not Peridia.

We've got more ways to have fun and keep busy than any Golf and Country Club in Bradenton.

It's your club. Make the best of it.

First, there are weekly activities scheduled for the **body and mind**.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Then, there are **Committees** you can volunteer to help. At the Annual Meeting, in April, you'll be able to sign-up for committees. They are: House/Restaurant, Social, Golf Advisory, Crime Watch, Scorecard, and Bingo.

Here are a dozen more alternatives:

1. Most importantly, read the Scorecard ASAP, so you can be an early bird and sign-up for the events you want to attend. What's on your calendar?
2. Mail Valentine cards to those in your life who make you feel loved.
3. Ask around and join a neighborhood Mah Jongg, Hand & Foot, Bunco, or Euchre group.
4. Walk the neighborhood with a spouse, friend and/or a pet. Admire the neighborhoods' landscaping.
5. When the Flags on the golf greens are gone, it's safe for you to:
 - a. Take a walk on the cart paths, but remember, dogs are never permitted on the Golf Course.
 - b. Ride your bikes or jog on the cart paths. Watch for opposing traffic.
 - c. Fish in the ponds, but throw what you catch back so other members can have a go at it.
6. Lounge and swim at the pool.
7. Work on your putting skills on the practice green or hit balls at the practice net, free of charge.
8. Hit golf balls at the Water Driving Range. Buy range balls in the Pro Shop.
9. Perhaps you should take a golf lesson from our Pro. We are a Golf and Country Club.
10. Admire the wild creatures in the neighborhood, but **please** don't feed them. Mother Nature does that.
11. Join the Monday FUN Bowling League.
12. Play Bingo. We play one Tuesday and one Saturday each month for Cash prizes.

I'm out of breath; there are so many activities,
Ask around and you'll find more for **your**, to-do list.

Time for a nap,
Bill Handy,

Employment: VP of Manufacturing and General Manager of Justrite Manufacturing. World's largest manufacturer of flammable liquid handling and storage equipment. Owned and operated a retail gift store at Town Center Mall in Atlanta, GA. In 2010 I worked my last paying job as a census taker for the U.S. government. And had a great time doing it.

Community Service: President of Chapter of Safety Engineers

Served on the Architectural Committee for HOA in Mattoon, IL.

Served on the Architectural Committee as well as 4 years as treasurer for our HOA in the Atlanta, GA area.

Two years serving on the PHOA board as Vice President and then as a director. Both years as chairman of the Architectural Review Committee. Developed an ARC Guidelines booklet to clarify and reduce to writing the responsibilities of the ARC, the homeowner and the board. Greetings to all,

I have recently been asked why there is a need for a charge when guests want to share a meal. When sharing, (or splitting), an entrée the only portion of the meal that is actually “split” is the protein, both people sharing still receive a full portion of vegetables and starch, (when sharing a dinner entrée). The cost on Friday evenings is higher because those that are sharing an entrée are still entitled to the salad bar as it would not be possible to split the salad bar. At lunch, the split charge serves the same purpose. Those who are sharing still receive a full portion of the sides so a charge is needed to cover the costs. With this being said, please know that we do everything we can to keep our overall costs to you as low as possible while still maintaining a high standard of quality. In addition, I also have been asked if we could change up the salad bar from time to time by offering more varieties and some different items. I am sure that many of you have already seen the changes on all our salad bars that we offer and you can continue to look forward to many new items as we go forward.

Eat Well,
Chef Todd

Elaine was great to work with. She shared great ideas to improve the sale ability of our home and spent a lot of time with prospective buyers selling both the Peridia community 'lifestyle' as well as our individual home. While we were away for the summer she ensured the home was maintained, cleaned and ready for showings. She also hired workmen to address issues that arose. She was professional, upbeat and supportive through the process.

ALERT!

Protect your home month!

Be aware every 20 seconds a home is burglarized...

Anti-burglary tips:

1. Maintain your property (if unkept, triggers theft)
2. Know your neighbor (they can help you if you're away)
3. Access your homes vulnerability (think like a burglar)
4. Power of lighting (dusk to dark adapter)
5. Lock your doors (deadbolt locks installed)
6. Blare the sirens (burglars don't want witnesses)
7. Surveillance cameras (check out device called Ring)
8. Mark your valuables (invisible ink pens & keep pictures)
