From the Golf Pro Shop By Brian Schmidt

Happy New year everyone!! I hope everyone had a healthy Christmas Season. I look forward to a great golfing season for 2018.

The PLGA have their Annual Awards and Free Luncheon Scramble event on January 9. Also the PLGA will have their Championship on February 6, February 13 and February 20. Please sign up for these events as we get closer to the dates.

The PMGA will have their two week President's Cup event on January 10 and January 17. This event will be followed by the Annual President's Cup Awards and free luncheon on January 24. Sign up for these events will be available the closer we get the event dates.

Please make sure that you're not walking your dog, riding your bike, or cutting through the course to get to the Clubhouse during golfing hours. This is for your own safety and for the golfers playing the Golf Course. Thanks.

I would like to change up the inventory in the Golf Shop with more shirts, shorts, skirts, and other clothing items. I need all members help in figuring out sizes. There is an anonymous sheet in this Scorecard and there will be sheets in the Golf Shop that I would like everyone to fill out and drop off into the box that will be in the Golf Shop. There will also be a comment section to add any suggestions on what you would like to see in the Golf Shop. All the help would be greatly appreciated. Thanks

I hope everyone is enjoying the beautiful conditions and weather on the Golf Course. See you all soon on the links. Happy Golfing!!

From the Golf Course Superintendent

By Raymond Bartels, CGCS

Happy New Year! You will notice a lot of spot spraying of herbicides this month, this is to help with winter weeds. I do ask if you could please stay out of sprayed areas which are marked with a Blue Dye indicator. Rye Grass is sensitive and any herbicide tracked on to the Rye Grassed areas would be damaging. We apologize for any inconvenience. I hope the Golf Course is enjoyable and I look forward to seeing you out there.

General Manager's Column

Party, Party, Party... That is what December was all about! We had about 65 parties this past December and most of those groups have already reserved their dates for next December. Good job Judy, Chef Todd and all of the members of the Food and Beverage Team.

Peridia staff members have asked me to mention in this GM Blog a big THANK YOU to all of those Members who contributed to the employee Christmas Fund, the staff really do appreciate your generosity.

The staff here at Peridia is committed to making 2018 more exciting, coming up with more ideas to bring you to your Club; remember the Club is an extension of your home. Please allow us to help you WOW your guest the next time you want to entertain a group of friends or family members. Chef Todd will be introducing his new lunch menu this week along with his new Wednesday and Thursday flair. Our menus will change each month this year, so should you have an item that you would like to see added to one of new menus please fill out a comment card and let us know what it is that you would like to see added.

The Golf Course is looking and playing exceptionally well; Ray and his staff are working hard in keeping those great conditions. Our Golf Shop manager, Brian Schmidt is looking forward to providing our members and guest with the level of service that is expected from a newbie like Brian. Don't hesitate to give Brian your thoughts on how the shop is being run, he can only benefit by your comments.

It has come to my attention that members are feeding the Canadian geese from the back of their homes. Please, do not feed those pretty little geese. Management is trying to find ways to move them to another location because of the dirty mess that they cause on the golf course. Again, please do not feed the animals.

Social Media is relatively new to all of us and the way we use it can be very beneficial to getting things changed but it can also backfire and push a perspective buyer to re-think if he or she really wants to buy in Peridia after reading the negative comments being made on the internet. We have 17 properties for sale in Peridia; lets not slow down those sales, be positive about your community and your neighbors. Our BOD meetings are held on the fourth Monday of each month at 1:30, the perfect place to express your concerns. Thanks

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Tom

President's Blog

It's 2018. Once again, Peridia Golf and Country Club has the holiday spirit. The decorations at the Club were beautiful especially the tree in the front entrance. Houses were decorated throughout the neighborhood. What a great kick off to the New Year!

Opportunities and activities for your continued entertainment are posted in the January Scorecard. Emails are sent out every day to entice you to use your Club. Please make the time to relish the Peridia experience on the golf course, tennis courts, in the Golf Shop, restaurant, or around the pool. That's where you'll have the most fun. It's our Club. Let's use it.

Numerous projects are planned for 2018. There will be some temporary inconveniences for permanent improvements. We plan to utilize the off-season during the summer to accomplish much of the work.

1. The lake at tee box 12 and the lake of north of tee box 15 will be refurbished.
2. The filtration system, the weir, at the eastern lake off Pro Am Ave will be rebuilt. We are in the process of getting bids and scheduling it for February as we were given 60 days to complete the project by the Southwest Florida Water Management District.
3. ASAP, restaurant tables, chairs, carpeting, and window dressings will be selected for replacement by the summer.
4. Members have been concerned about the appearance of our Peridia bathrooms. Six of them will get new fixtures, floors, and a paint job.
5. Beginning in June, we will replace the 30-year timeworn irrigation system with one that will function fully with our computerized pump house. The new technology it brings to our course will enhance the course's looks and playability.
6. Only the main entrance of our parking lot will be repaved, as we don't have sufficient capital to replace it all. Hopefully in the future we'll be able to replace the areas being damaged by the roots of the huge oak trees.
7. We will also replace some needed kitchen and golf course equipment.

We advertise Peridia as the Premiere Executive Golf and Country Club in Bradenton, Florida. These renovations will help reinforce that reputation. More importantly, members have invested in Peridia every year. It's therefore appropriate that they have the opportunity to enjoy the facelifts as much as possible.

Come Use Your Club!
Bill Handy,
Master Board President

Neighbors Helping Neighbors A Peridia Community Outreach Program

Maybe you don't feel comfortable going to the Clubhouse pool by yourself and would like someone to sit poolside and wait while you do your exercises or just enjoy the water. Or you'd like a neighbor to pick you up and take you to a meal or activity at the Clubhouse and then return to take you home. These are just two examples of how volunteers are willing to donate their time to assist their neighbors in Peridia.

Many folks in our community already have a support system in place...a relative, friend, or neighbor who helps out when you need it. But there are other people you may not know yet who are available and willing to offer assistance. You may be a spousal caretaker who needs a few hours respite to go shopping or just get away for awhile. We are happy to provide someone to come to your home to keep the person you're caring for company.

If you have trouble using up your food minimum, we can help by picking up and delivering meals to your home from the Club restaurant. Or we can provide a ride to the Club so you can enjoy a meal or activity onsite...like cards, lunch and a book, bingo, or whatever is being offered that you would enjoy. We also have been gathering information on various resources that may be of interest to you such as Meals on Wheels and other services.

If you'd like to request assistance, please contact Pat Smith at 941-739-7114 or Carol Boles at 941-666-8582. Let either of these ladies know what you need and they'll see if we have someone who can provide that particular service. **Don't be shy about calling us!**

Skimmers at Gas Stations and Recent Equifax Breach

By: Pam Wallace, Chairman, Crimewatch Committee

- There have been numerous reports of skimmers being placed at gas pumps in Manatee and Sarasota counties. Please take the following steps to avoid skimmers at gas stations:
- Pay in cash inside the store to ensure credit card information stays safe.
- Check to make sure the gas pump dispenser cabinet is closed and has not been tampered with.
- Use a gas pump closer to the front of the store. Thieves often place skimmers at the gas pumps farther away from the store.
- Use a credit card instead of a debit card. Credit cards have better fraud protection, and the money is not deducted immediately from an account.
- If using a debit card at the pump, choose to run it as a credit card instead of putting a PIN number in. That way, the PIN number is safe.
- Monitor bank accounts regularly to spot any unauthorized charges.
- Consumers who suspect their credit card number has been compromised should report it immediately to authorities and their credit card company.

Ring, ring. "This is Equifax calling to verify your account information." Stop. Don't tell them anything. They're not from Equifax. It's a scam. Equifax will not call you out of the blue. That's just one scam you might see after Equifax's recent data breach. Other calls might try to trick you into giving your personal information. Here are some tips for recognizing and preventing phone scams and imposter scams:

- **Don't give personal information.** Don't provide any personal or financial information unless you've initiated the call and it's to a phone number you know is correct.
- **Don't trust caller ID.** Scammers can spoof their numbers so it looks like they are calling from a particular company, even when they're not.
- **If you get a robocall, hang up.** Don't press 1 to speak to a live operator or any other key to take your number off the list. If you respond by pressing any number, it will probably just lead to more robocalls.

If you've already received a call that you think is fake, report it to the FTC.

Happy New year

TESTIMONIAL – 4239 Presidential – ART CHRISTIANSEN

In October of this year, I made a life changing decision. After living in Peridia since 1991, I decided it was time for me to downsize from a rather large home to a villa. This decision was not an easy one to make and contained many hurdles to overcome. My priority was to stay in Peridia.

The most important decision was to identify, locate and have total faith/belief in my realtor. After discussion with many fellow residents as well as new residents to Peridia, I decided Elaine LaCorte was the best qualified to assist me in my life change. Her professional, ability to understand/ evaluate my needs as well as her unique ability/knowledge of Peridia, enabled me to make a smooth transition from what was to what is.

Her knowledge of her profession and our local surroundings enable me to make this transition with minimum stress. For this I will be forever grateful...

Chris (Art) Christiansen

Hi neighbors. Curious about what your home may be worth? We can do a comparative market analysis to determine what you can get for your home. Then, we can show you how we can list your house and aggressively market it to get it sold in a timely manner. We know that buying & selling your home can be stressful. Let us show you how we can help.

If your property is currently listed with another real estate broker, this is not a solicitation of that listing.
