## From the Golf Pro Shop

By Brian Schmidt

Happy July and August everyone!!!! The Summer Season is definitely in full swing so please make sure when you're on the Golf Course you consume plenty of water while playing. This is the time of year for heat stroke and one cause of this is dehydration. We do have Gatorade and water available in the Golf Pro Shop; so please make sure you have plenty with you before you head out on the Links.

Our Maintenance Season is well under way, so make sure you stop by the Golf Pro Shop to note the dates and times for closures during the summer months. Ray and his staff continue to do a great job in keeping Peridia in tiptop shape. Thanks Ray!!!

Etiquette 101: This month I would like to talk about dress code for our facility. For men, collared shirts are required with no denim or blue jean material. For Ladies, collared shirts would be best, however, if you have a sleeveless shirt it must have a collar. If you have sleeves, it doesn't have to have a collar (no T-shirts). No denim or blue jean material. We always encourage everyone to dress appropriately while playing. Also, please make sure when picking your golf ball out of the cup that you're not using the blade of your putter. I see more times than not this will cause damage to the edges of the golf hole. Thanks for your understanding.

## From the Golf Course Superintendent

By Ray Bartels, CGCS

We are in full Summer routine and you might have noticed a lot more mowing, trimming, and pesticides being applied. We will continue to top dress the greens weekly for the next few months. On Tuesday, July 16th the Golf Course greens will be aerated with a 5/8" x 5" tine, this date may change due to weather. If that does happen, it would be on a later Tuesday and an updated schedule will be provided. I am sorry for any inconvenience the maintenance may bring. Enjoy the Golf Course and hope to see you out there.

## General Manager's Corner

EXTRA, EXTRA... READ ALL ABOUT IT!

Our date for closing the pool and Tiki Bar has been delayed! The pool area will be closed for about three weeks starting on August 5, 2019. Our plan is to clean up the Tiki Bar area, replace broken equipment behind the bar area and update the Wi-Fi signal for our credit card service. On the pool deck, we plan to grind all of the cracks on the deck down to the deck level, paint the deck with a non-slip paint and bring in additional shade for sun protection. During the shutdown, Galaxy Pool will be installing a new filtering system. We are planning on sending out an e-mail blast the beginning of August to remind everyone that the pool area and Tiki Bar will be closing starting August 5, 2019 for repairs and will re-open September 2, 2019.

Bay Area Electric has been awarded the job of upgrading the Clubhouse's electrical system. This work will be done sometime in late July or early August. Why can't I pinpoint the date?? Well, it is because Bay Area Electric will be working with FPL to bring the upgraded wiring to handle the 1000 Amps coming in from FPL's transformer to our new gear box. FPL has not scheduled this work as of this article. The plan is to have FPL shut down the electricity to the Clubhouse for 2 days allowing the new service to be installed.

The Board approved the purchase of 11 Foxtail Palm Trees. Of those 11, 3 will be planted along the right side of #15 tee. Placing the Palms there will help guide the golfer to aim more to the left stopping a large number of balls from hitting the houses on the right side of the fairway. The PMGA has asked for 3 of the palm trees to be planted around the back of #18 green, starting from the west side moving around to the back middle. Other locations will include the back of #2 green adding 2 trees, the back of #5 green adding 2 trees and the back of #7 green adding 1 tree. These plantings will give each hole some definition and help the golfer to better see the green. We are planning to install the trees by the end of July.

When playing golf in this heat please drink a lot of water. If you are feeling like you are starting to get overheated, please call the Golf Pro Shop and we will get out to you right away.

Remember, I always have time for your questions or comments, so please stop by my Office. My door is always open. Oh, and bring me a cold one. ☺

Tom

Dear Friends and Family,

We are excited to announce the opening of Main Street Dental, a brand new Dental Office, conveniently located in Peridia Office Park suites. And I, Dr. Crystal Camden, would like to personally give you an invitation to allow our caring and compassionate team to meet and exceed your dental healthcare needs. We welcome patients of all ages!

I am a dental professional dedicated to providing gentle dental care in a friendly and caring environment. I have been trained to use the most technologically advanced dental equipment, helping to make your visit enjoyable. Our Dental Office has state-of-the-art technology, including digital x-rays to minimize radiation, as well as soft leather dental chairs with massagers, large TV's and a window view within each treatment room. My practice philosophy defines a commitment to quality and customized care. I take care to listen to each patient's esthetic concerns while determining their needs for optimal oral health.

I have been in the Tampa Bay area for over 20 years now. I am a graduate of the University of South Florida, earning a B.S. degree in Biomedical Sciences, as well as my Master's degree in Molecular Medicine. I subsequently attended Lake Erie College of Osteopathic Medicine, earning my Doctorate in Dental Medicine (D.M.D.). I enjoy all aspects of restorative dentistry and most importantly helping my patients achieve a smile they have confidence in.

I am a member of the American Dental Association, the Florida Dental Association and the West Coast Florida Dental Association. When away from the office, I enjoy spending time with my family as well as pursuing my private pilot's license.

We would be honored to have the opportunity to have you call Main Street Dental your new Dental home! Please call to reserve your appointment today!
