From the Pro Shop

By Brian Schmidt

Happy June everyone!!!!The summer is already here and the hot weather is on the way. I hope that everyone enjoyed the winter season and had a chance to play in the great conditions we had at our Golf Course. A big thanks to Ray and his staff for the hard work. This is the time for our Maintenance season to kick in as well, so please make sure you look at the schedule posted in the Pro Shop for closure dates and times.

The Golf Course will be closed all Thursdays through the summer starting June 11th. The PMGA will be a 8:00AM shotgun start on Wednesdays through the summer. Please call the Pro Shop if you have any question.

For those members still here that play golf in the summertime, please make sure you stop in the Pro Shop to pick up your list of golf courses that we have a reciprocal agreement with. These are courses outside of Peridia that you can play for a discounted greens fee. Please make sure you look at each courses ground rules for making tee times.

Etiquette 101: This month I would like to talk about etiquette on the putting green. Player's should not stand on another player's line of putt or, when he is making a stroke, cast a shadow over his line of putt. Players should remain on or close to the putting green until all other players in the group have holed out.

Golf Course Watch: This is the time of year we have more light in a day and people seem to find their way on the course after hours. If you see anyone playing golf on the golf course after hours, please call the Pro Shop. There shouldn't be anyone on the course playing golf after the flags have been pulled. Thank You!!

Also since we're in the summer months, please make sure to consume plenty of liquids. This is the time of year people get heat stroke due to being dehydrated. We do offer water and Gatorade in the Pro Shop snack bar which will rehydrate you with the electrolyte content. Happy golfing!!!

From the Golf Course Superintendent

By Ray Bartels, CGCS

Summer is almost here, and we are in full Summer routine. We will be topdressing the greens with sand, applying herbicides, mowing, fertilizing, and doing cultural practices on a more frequent basis. The bulk of the work will be scheduled on Thursdays' but will be dependent on what Mother Nature brings us. On Thursday, June 4th, there is a Fertilizer Application and Weed Pre-Emergent Herbicide scheduled. This will help the Bermuda grass kick into high growth gear and help with any weak areas. Stay safe and looking forward to seeing you out on the course.

General Manager's Corner

Since March our lives have been turned upside down with the COVID-19, it has become an obsession with all of us. We hear about it and see it on every news outlet from the time we get up in the morning until the time we go to bed. So, for those of you who are ready to get back out and socialize, Peridia will re-open on June 6th for it's Coming Out Party! Open to the first 76 (based on 50% Occupancy) who sign up for the event. To help you feel more comfortable with coming to the Club, we have instituted the following list of precautions:

1. All guests will have their temperature checked before entering the Clubhouse. 100 degrees or less.
2. There will be hand sanitizers at the front doors.
3. Tables and chairs will be sanitized before and after each use.
4. Menus will be disposables, thrown away after order is taken.
5. All condiments are disposable.
6. We ask that as members you will try to observe the social distancing of at least 6 feet.
7. Staff's temperature will be taken at the beginning of each shift and no one will be allowed to work with a temperature over 100 degrees.
8. Staff will wear masks during service.
9. The preferred transactions will be by credit card or member account, NO CASH transactions please.
10. Guests and staff will have restricted interaction during payment process.
11. Bathrooms will be sanitized every 15 minutes.

We will start sitting the dining room starting on June 6th by reservations only. There will be NO bar service, all alcoholic beverages will only be served at your table. Due to the social distancing we will limit all reservations to a maximum of 8 people to a table. We are planning to continue our to-go program through June.

During the month of June, the Clubhouse will be closed to all member activities. This closing will continue until the Governor goes to Phase 3, we are in phase 1 as of 5-25-2020. The Tiki bar can not open until we reach phase 2, sometime in early June. I HOPE!

We have lined up our contractors for the pool resurfacing and the deck upgrade. This work will start around July 6th. We are targeting September 4th as our re-opening date. This date may be moved depending on how intense is our rainy season. Yes, the pool will be closed during the construction.

PLEASE DO NOT FEED THE GEESE!!

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

Did you know?

The Scorecard is back!! The Scorecard is the main source of information for everything going on at Peridia. You can find starting times for all events, menus, financial information and so much more. But this month, the Scorecard is even more. It represents one more small step on the path to normalcy. It represents hope.

Did you ever wonder how the Scorecard is assembled? It begins about the 13th of each month with Office Manager, Nancy Ploger, requesting information from all department heads and from our advertising sponsors. She then assembles everything and puts the information into the proper format. The format is then submitted to our editors. Dave Hauck and Ed Assenheimer review everything and make any corrections.. Then Nancy makes between 650 and 800 copies depending on the time of the year.

The process then shifts to Jim and Madeline Horvath. They put all of the pages together into the final booklet form. The booklets are then placed into 23 separate packets for distribution. The Horvath's have been doing this for 20 years.

At this point the paperboys and papergirls take over. They pickup their designated packet and deliver the Scorecard to your front door. The list of delivery people includes Don & Carol Milling, Pam Wallace, Andy and Carol Olsen, Susan Francis, Theresa Boley, David Sadkin, Kathy Grote, Bill and Toni Bookout, Barb Wendrich, Carol Walter, Nancy Vittorini, Jackie Youkers-King, Nancy Erwin, Howard Knost, Donna Jamison, Charleen Cross, Bev Smith, Don Newton, Libby Dircks, Dave and Jackie Miller, Janice Todd, Holly Kaufman and Tom Messano. This is just one example of how volunteers play a huge role in the success of Peridia. The next time you see any of the volunteers, thank them for the job they do.

In my first message to the members, I said that a recurring theme for the year would be this- USE THE CLUB. I am happy to report that you responded very well. The takeout business has been very successful and play on the Golf Course has been steady and good. Thanks to all of you, I can report that the financial health of the Club remains very good. With the summer months upon us, we need all member's continued patronage.

Finally, continue to follow the guidelines, think positively and stay safe.

Wayne Roell
Master Board President

You must have the names of those at your table and their orders to reserve seating.

We will accept reservations until we meet our allowed capacity.

Call 941-758-2582 ext. 2, by noon Wed., June 3.

Storm Preparation and Debris Management

By: Pam Wallace, Crimewatch/Safety Committee Chairman

Hurricane Season begins June 1st. Since we have a lot of new residents, I wanted to share the following information from the Manatee County Utilities Dept.

During a storm, items in the yard, lawn furniture, tools, flower pots, etc. can become projectiles that could injure people and cause damage to buildings and automobiles. Removing those items ahead of a storm can help reduce damage and/or injury to others. If the storm impacts our area you may have debris. Trimming trees and getting rid of unwanted, broken or excess items now will reduce the amount of debris you will have to deal with after a storm. Preparing early means that the items are collected well before a storm nears. When conditions are deemed unsafe, garbage collection will be suspended leaving late-placed items uncollected at the curb. Do not leave garbage cans and recycling carts at the curb when a storm is approaching. Bring all cans and carts inside your garage where they should be stored at all times, regardless of a storm. Also, as a reminder, these items are not permitted to be left in your yard, beside your house, etc., unless they are in an area that is not visible from the street, golf course, or can not be seen by your neighbors. If Manatee Co. implements their Debris Management Plan, special collection trucks and schedules will be utilized. Do not bag debris. Do not place it on top of mailboxes, storm drains, or water

meters. Do not mix debris types. Complete clean up as soon as possible and comply with collection deadlines. Debris should be separated as follows: Vegetative (trees, limbs, leaves). Construction & Demolition (roofing material, metal, cement, fencing, screening). Appliances and White Goods (empty refrigerators, etc.), Garbage: (household furniture, mattresses, spoiled food, etc.). The collection process can be lengthy. Please be patient. For more information, visit www.mymanatee.org. Stay Safe.

TO ALL MY PERIDIA NEIGHBORS

*God Bless everyone...
Be safe, Be strong... Be healthy*

Now we can see that nobody is immune to this virus. We are all worried about loved ones and the future, of both the global economy and our own individual homes. But prayer is not enough.

CORONAVIRUS
PROTECT YOURSELF & OTHERS

This crisis shows that we must all take responsibility where we can. We must combine the courage doctors and nurses are showing with empirical science to begin to turn this situation around and protect our future from more such threats.

We must also remember that nobody is free of suffering, and extend our hands to others who lack homes, resources or family to protect them. This crisis shows us that we are not separate from one another even when we are living apart. Therefore, we all have a responsibility to exercise compassion and help.
