Happy May everyone!! I can't believe the Winter Season is over. We certainly have had great weather for most of the golfing season with only a few days of cold and rain. I hope everyone has enjoyed the playing conditions and I can't wait to get you back in the fall for another great year.

The recent PMGA Jack and Jill event was a success. Thank you to all of you who participated in the last big event of the Winter Season. We will look forward for the PLGA Jill and Jack event in the fall.

Please mark your calendars for our annual Member Memorial Day Golf Scramble on May 30, 2016. This will be a 4-person scramble with a shotgun start at 8:30AM. The cost of this event will be \$32.00 per person which will include golf and food as well as beverages on the course. Please sign up in the Golf Shop as we get closer to the date.

Golf Etiquette Section: This month I want to talk about Blue Flag rules and regulations. Golf Carts that use blue flags may drive to within 10 feet in front of the greens and tee boxes. A blue flag does not allow you to drive between the green and the next tee box except on holes 7, 8 and 18 where you may drive on the rough to the tee markers. A blue flag does not allow you to drive between the green and sand traps. Also, no blue flags will be issued when cart path only is in effect. Driving carts too close to greens and tees will result in compaction problems. We want to keep Peridia and its Golf Course in great condition and this is one way to do that.

Last minute reminders for all of you members leaving us for the summer. Please check your trunk, garages, and golf bags for any extra range balls that you may have. Please return them to the Golf Shop before you leave. Again, I want to thank everyone for a special Winter Season. You made all of our jobs in the Golf Shop and Cart Barn fun experiences. Please be safe on your travels back home, and see you back at Peridia in the fall.

General Manager's Column

April 11, 2016, the night of the Annual Meeting was impressive for me as it was my first at Peridia. I thought that if we had 100 members attending, that it would be a good meeting, but you surprised me with over 200 members. Thanks for the surprise and your support.

I want to say that it was a pleasure working with our President, Don Kirkpatrick, this past year. Don had a vision in how he wanted the Club to grow during his term and I think all of us can see that growth. So thanks Don for your time and all of your efforts in helping make Peridia a better place to live. Great job!

I am looking forward to working with your new president Bill Handy, who has a lot of ideas that will help grow the usage of the Club and the Golf Course. A year ago I said to the BOD that there is no absolute formula in growing revenue. We will need to throw a lot of ideas at the wall to see what will stick, and I must say that there have been a lot of good ideas that stuck to the wall. Now we are going into the summer season where we are going to be fighting the rain, heat, humidity and losing 40% of Peridia's members to their Northern homes. So this summer with the help of the BOD and the staff, I plan on trying a lot of ideas that are going to come from outside the box.

Our Member Farewell Party was a hit! The cocktails out by the pool created a lot of camaraderie; members were able to visit with friends beyond their table of friends. Chef Todd created a dinner that members just "WOWED" about for days. Your standing ovation for Chef Todd and his staff and the front of the house staff was a great way of showing them that you do appreciate how hard they work in providing you with the service level that is expected of them at your Club. I want to thank Shirley Ambrose and her committee for all of their hard work and I look forward to working with them for the Welcome Back Party this coming October.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

Tom

President's Blog

Don Kirkpatrick, Peridia's past President, deserves a great deal of credit for the current atmosphere that our Club is experiencing. Getting members to feel more valued and involved with Peridia was his mission. He was open and honest when interacting with members. His Town Hall Meeting set a positive tone. It showed members he was willing to listen and keep them well informed. The monthly attendance to Master Board meetings has grown from a few regular attendees to a full house of interested members. I thank President Kirkpatrick for all his efforts. He will be a hard act to follow, so I made him promise to help keep me on track.

As Secretary of the Board for the last 2 years, I've absorbed a lot about the inner workings of Peridia. As your new President I know there's much more to learn. I feel confident that my transition to President will be easy, with Tom Donato in my corner.

FYI: From time to time I hear things around Peridia that need investigation. I'll pass on to you what I discover. Here are a couple examples:

1. Don't let anyone tell you that the Club's swimming pool is saltwater. It is not.
2. Peridia **does not have** a warning signal for "Lightning." You as the golfer must realize that the lightning is too close for your safety, so pack up and get off the course. Please return to your game when it's safe.

A recent comment made me feel very proud of Peridia people. I was told that we treat the public with respect. They feel welcome at our Club and will be returning customers. Keep it up people. It benefits us all.

Thank you.

See you around Peridia,
Bill Handy,
Master Board President

MASTER BOARD ANNOUNCEMENT

In an effort to maintain quality and safety as well as the best service possible to all our residents, the Master Board has established the following policy:

1. All residents with an outstanding balance remaining on their minimum can contact the Food and Beverage Manager to place any order larger than fifty dollars before May 15. These orders will be treated like an event and must be received seven days before requested day of pickup.
2. Raw food will not be available for to-go orders or any order, i.e. uncooked steaks/ raw meat.
3. We do not have a package goods license for alcoholic beverages and by law cannot offer this as an option.

This policy will allow for the Chef and the F&B Manager to plan and order supplies for larger orders without shorting the dining membership each day.

Happy Mother's Day!

For this special day I've decided to share a poem I came across because all mothers everywhere deserve tons of credit for all they do.

**A Mother loves right from the start.
She holds her baby close to her heart.
The bond that grows will never falter.
Her love is so strong it will never alter.
A Mother gives never ending Love.
She never feels that she has given enough.
For you she will always do her best.
Constantly working, there's no time to rest.
A Mother is there when things go wrong.
A hug and a kiss to help us along.
Always there when we need her near.
Gently wipes our eyes when we shed a tear.
So on this day shower your Mother with Love.
Gifts and presents are nice but that is not enough.
Give your Mother a day to have some peace of mind.
Be gentle, be good, be helpful, be kind.
Happy Mother's Day.**

Carol Matthews

Happy Mother's day to all you wonderful mothers and thank you so much for all you do.
Chef Todd

CREAMY SMOKED SALMON PASTA

"This is a lighter version of pasta carbonara. For people who want the flavor but not the bacon, smoked salmon is the perfect substitute!"

Ingredients:

- 6 tablespoons butter
- 1/2 onion, finely chopped
- 2 tablespoons all-purpose flour
- 2 teaspoons garlic powder
- 2 cups skim milk
- 1/2 cup grated Romano cheese
- 1 cup frozen green peas, thawed and drained
- 1/2 cup canned mushrooms, drained
- 10 ounces smoked salmon, chopped
- 1 (16 ounce) package penne pasta

Directions

Bring a large pot of lightly salted water to a boil. Add pasta and cook for 8 to 10 minutes or until al dente; drain. Melt butter in a large skillet over medium heat. Sauté onion in butter until tender. Stir flour and garlic powder into the butter and onions. Gradually stir in milk. Heat to just below boiling point, and then gradually stir in cheese until the sauce is smooth. Stir in peas and mushrooms and cook over low heat for 4 minutes.

Cell Phone Safety

By Ginny Lighthizer for the Crime Watch Committee

Cyber threats are not limited to computers. Cell phones can be infected with malware and viruses similar to those found on computers. More and more, we use cell phones for banking and shopping. To protect against malware, viruses and other threats, AT&T offers the following tips:

- Keep the software on your phone up to date. The latest software updates include the best available protections to help defend against these viruses.
- Download apps only from trustworthy sources.
- Keep your passwords private. Use more complex passwords to avoid others from easily guessing them.
- Watch your statements closely and report suspicious activity immediately.
- Keep security in mind when using your device and think twice before opening an email or a link when you are unfamiliar with the sender.

Enticing links to viruses and destructive software (called malware) can be transmitted through text messaging from unknown numbers. Some hackers imitate legitimate contacts to lure users.

When in doubt, keep your information private until you can confirm a source is legitimate.

2016 Spring Fashion Show

We would like to thank all 194 guests who attended and made Just Us Girls such a success. The raffle tickets you bought to win the many wonderful door prizes raised \$929.00 for our charity, Just Us Girls of Manatee County.

A special thanks to all the committee for all the wonderful ideas and hours spent gathering raffle prizes and items for the table. None of this could have happened without the wonderful lunch by Chef Todd and the kitchen staff and Judy and all our wonderful wait staff.

Recipe of the Month

Corned Beef Hash

INGREDIENTS:

2 Tbs. vegetable oil
8 ounces cooked corned beef, diced
1 white onion, finely chopped
2 medium baking potatoes, peeled and shredded (about 2 cups)
4 Tbs. unsalted butter
4 large eggs
Kosher salt and freshly ground pepper
4 slices cheddar cheese (about 2 ounces)

DIRECTIONS: Heat the oil in a medium skillet over high heat. Add the corned beef and cook, stirring with a wooden spoon until it releases some fat and browns slightly. Stir in the onion, bell pepper and potatoes and cook, undisturbed until brown and crisp on the bottom. Continue cooking, turning the hash as it browns evenly. Place the cheese slices on top of the hash, reduce the heat and let it sit until the cheese melts, about 1 minute. To serve, top each portion of hash with a fried egg.
