Happy May everyone!! I can't believe the Winter Season is over. We certainly have had great weather for most of the golfing season with only a few days of cold and rain. I hope everyone has enjoyed the playing conditions and I can't wait to get you back in the fall for another great year.

The recent PMGA Jack and Jill event was a success. Thank you to all of you who participated in the last big event of the Winter Season. We will look forward for the PLGA Jill and Jack event in the fall.

Please mark your calendars for our annual Member Memorial Day Golf Scramble on May 29, 2017. This will be a 4-person scramble with a shotgun start at 8:30AM. The cost of this event will be \$32.00 per person which will include golf and food as well as beverages on the Course. Please sign up in the Golf Shop as we get closer to the date.

Golf Etiquette Section: This month I want to talk about Blue Flag rules and regulations. Golf Carts that use blue flags may drive to within 10 feet in front of the greens and tee boxes. A blue flag does not allow you to drive between the green and the next tee box except on holes 7, 8 and 18 where you may drive on the rough to the tee markers. A blue flag does not allow you to drive between the green and sand traps. Also, no blue flags will be issued when cart path only is in effect. Driving carts too close to greens and tees will result in compaction problems. We want to keep Peridia and its Golf Course in great condition and this is one way to do that.

Last minute reminders for all of you members leaving us for the summer. Please check your trunk, garages, and golf bags for any extra range balls that you may have. Please return them to the Golf Shop before you leave. Again, I want to thank everyone for a special Winter Season. You made all of our jobs in the Golf shop and Cart Barn a fun experience. Please be safe on your travels back home and see you back at Peridia in the fall.

General Manager's Column

The Great Gatsby was a HUGE success!! There were 160 members all dressed up like gangsters and flappers. Don Kirkpatrick parked his beautiful 1931 Model A Ford Roadster out front of the Clubhouse to give our members an opportunity to take their MOB picture. The food was delicious and the music was from the roaring 20's. Fun night for all!

Easter was very busy with 480 people coming in wearing their bright Easter colors to enjoy Chef Todd's great Easter Buffet. There was no sighting of the Easter Bunny but there were a lot of chocolate eggs laid everywhere.

Hole #18 has had its sand trap renovated with drainage and new sand. It looks good. If you haven't seen it, stop by the grill room and have an ice cold drink while looking out at the green. The renovation pattern will be from 18th green backwards. The closing of a golf hole is something that will be on as-needed bases, hopefully this will not happen.

The Clubhouse will be closed every Tuesday for food service from May 16 thru September 5. The Golf Course will also close on those Tuesdays right after the PLGA have finished teeing off. Ray will schedule his maintenance work to start right behind the PLGA on hole #1. On May 16, Ray's first project will be aerification of the greens. This time he will be pulling 5/8 inch cores out of the greens, spreading fertilizer and filling the holes with sand.

If you haven't been to the pool lately stop by and take a look at the new pool furnishings. Hope you like the change...if not please let me know, that is the only way I can learn about your likes and dislikes.

FOOD MINIMUMS...Those of you who have not yet met your \$450 food minimum have until May 31, 2017 to use up your minimum. Please don't wait until the last week to try and use it up. Every year we have members trying to get into the dining room during that last week in May and are not able to get in because our dinner services are all sold out. A good time to start thinking of spending your minimum is now at the beginning of the month which will give you enough time to spend it. But if you are thinking of waiting until the end of May to use it up....Good luck. Please take a moment to read the policy that was established by the Master Board, a copy of the policy is in this Scorecard.

If I don't have chance to say goodbye in person before you leave for your annual Migration, please accept my fond farewell. We will see you next fall when you get back; until then have a great summer.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

President's Blog

All for one and one for all was the motto of The Three Musketeers, the famous French soldiers, in a book by the nineteenth-century French author Alexandre Dumas. At Peridia it refers to idea that all members of our community support each of the individual members, and the individual members support the Peridia community.

Peridia Property Owners Association is a Social Welfare Organization. As described in Internal Revenue Code (IRC) section **501(c)(4)**, we are an HOA organization **not** structured for **profit** but operated exclusively to promote social welfare. Peridia was originally built to improve the quality of all our lives. It always will.

We are members at Peridia Golf and Country Club. When individual families purchased in Peridia they understood they'd have to share the common expenses for running the Club, the tennis courts, the community pool, the Golf Course, and the common grounds, etc., to enjoy all the amenities that they couldn't afford on their own. As an owner in the Peridia community, each of us adds to the Peridia experience for other members.

In April's Blog I talked about Peridia members who volunteer. Their actions as individuals benefit many participants in our community. The Social Committee members, for example, save us countless dollars with their wonderful decorating for events at the Clubhouse. Owners caring for their properties add to the aesthetics of their component and to Peridia as a whole. Those are "one for all" examples of the motto.

The Lakes are an example of the "all for one" portion of the motto. Peridia will repair the lakes over the next several years. Some members play golf or live within visual enjoyment of the renovated lakes. Members often comment how much better the lakes look. Other members may not be so lucky and have not even seen the results. But the fact is, all members share the expense and potential revenue created by the beautification of the Peridia lakes.

Sand traps are currently being reconstructed. If we rebuild them, golfers will come. Member and public golfers will enjoy the improvements to the traps and lakes. Non-golfers are missing out on a good thing, yet they too share the "ka-ching" of our cash registers as word travels about our gem of a Golf Course.

I was reminded recently how the motto **All for one and one for all** applies to Board Members of the Peridia Property Owners Association (PPOA.) We often discuss issues and make decisions that appear to affect only a few members or only one component yet benefit the community as a whole. Master Board Directors must keep that in mind as we endeavor to preserve Peridia as an attractive social community for current and future members, and as the Premiere Executive Golf and Country Club in Bradenton, Fl.

Peridia is an established community that provides a wonderful life style for us all. Continuing that quality of life for the future requires us to be "All for one, and one for all."

One for all,
Bill Handy, Master Board President

Dear Peridia Resident,|

Loretto Sadkin, past Master Board President, has been our point person on the 45th Street Committee for several years. She has met and discussed with Manatee County Officials the concerns of Peridia Members from Patio 6 from Raintree and Peridia Patio HOA for the big homes along Kilty Court. She has often given reports at monthly Master Board Meetings, as the 45th Street Construction will affect all Peridia Home Owners to some extent.

Sadkin recently expressed concern about "**Misinformation**" she's been hearing about the 45th Street Project as it's being discussed at the club. I have asked her to once again be the "Fact Checker" for the 45th Street to deter Fake News, as she knows all the necessary County Executives that will provide the accurate information.

If you have any questions or hear disturbing information that you feel is incorrect, please don't pass on 45th Street misrepresentations. Instead email your question to Bill Handy at whandy2@tampabay.rr.com and I'll pass it on to Loretto Sadkin. Please include your Name, phone number and email address so I can get back to you as quickly as possible.

Finally, here's a list of several facts that Loretto wants us all to know.

1. Project status Report from Public Works: 100% design plans completed and necessary permits acquired. Invitations for Bid documents are completed and being sent out. Construction tentatively to begin Summer /Fall of 2017 and will take 18 to 22 months to complete.
2. Light poles will be staggered on both sides of 45th St and will be placed every 155 ft. Light shields will be installed to reduce side light throw by 50%. Side light shields will prevent residents from seeing the lamps from their houses.
3. Rubberized binder will be added to Friction Course Asphalt to minimize road noise.
4. County will install "No truck traffic " signs at all Peridia entrances.
5. Emergency traffic lights will be installed at fire station.
6. Due to the unspecified cost of wall and long term plant maintenance including the responsibility to install an irrigation system, maintenance of said system, and watering fees, the Master Board previously determined not to sign a temporary construction easement, (TCE), accepting the County's offer to provide plants along the wall. As a result, the county feels no obligation to offer plants.
7. The Temporary Construction Easements, (TCE), which required signatures by every homeowner along the wall, were also not completed. As a result, no construction equipment will be parked on the Peridia side of the street.

Stay tuned for further facts,
Bill Handy

Chef's Corner

Wow, it's May already and Mother's day is just around the corner. It seems as though we were all celebrating Christmas just a very short time ago. Well, you know what they say, "time flies when you're having fun".

With the seasons changing you can look forward to some new menu changes that will be featuring lighter entrées and cool salads for the hot summer months.

As I am sure most of you already know during the slower time of year the restaurant will be closed on Tuesdays so we can do some cleaning and make any needed repairs. But don't forget about our daily lunch buffet and Wednesday, Thursday and Friday night dinners where you can also look forward to some new and exciting menu items.

Mother's Day will be here soon and we will fill up fast so I hope all of you have already made your reservations so you can help us celebrate this very special day.

- 1/2 cup canned mushrooms, drained
- 10 ounces smoked salmon, chopped

MASTER BOARD ANNOUNCEMENT

In an effort to maintain quality and safety as well as the best service possible to all our residents, the Master Board has established the following policy:

1. All residents with an outstanding balance remaining on their minimum can contact the Food and Beverage Manager to place any order larger than fifty dollars before May 15. These orders will be treated like an event and must be received seven days before requested day of pickup.
2. Raw food will not be available for to-go orders or any order, i.e. uncooked steaks/raw meat.
3. We do not have a package goods license for alcoholic beverages and by law cannot offer this as an option.

This policy will allow for the Chef and the F&B Manager to plan and order supplies for larger orders without shorting the dining membership each day.

Navigating the Diverging Diamond

Yes, in late spring or very early summer, the diverging diamond is coming to you at the intersection of I-75 and University. What this means for traffic on both roads and how to navigate the new traffic pattern will be discussed by Marlena Gore,

Florida Department of Transportation project manager, here in Peridia on Wednesday, May 10 at 3:00PM. Ms. Gore will be presenting a 20 minute power point and answering questions so that residents know what to expect. Don't miss this opportunity to be prepared the next time you head over to the UTC mall area after the shift is made! Call today to reserve your seat!

And the winner of the Peridia Brunch for two is
Rita Johnston!

The SunCoast Blood Bank sent a thank you for the March 28, 2017 drive.

We were able to save **21 lives** with our donations!!

They will be back to Peridia in November

Thank you, Carol Milling

BEWARE OF SCAMMERS!

**Know the signs
of a scam...
Happening Daily!**

- Emails that appear to be from the IRS with suspicious links and attachments.
- Text messages that instruct you to call a toll-free number to address an urgent issue.
- Phone calls with a pre-recorded message that ask you to provide confidential information.

Don't believe these messages – Scammers can mask their email addresses, making them appear to come from a company when in fact, they don't. Also, toll-free numbers can be set up quickly with pre-recorded messages that prompt you to enter your credit or debit card number and PIN.

Recipe of the Month

Tomato Basil Spaghetti

INGREDIENTS:
1 package of spaghetti
1 pint cherry tomatoes
A handful of basil
Olive Oil as needed

DIRECTIONS: Heat oven to 375°F
Arrange tomatoes and basil in a baking dish. Drizzle the mixture with olive oil, and roast for 30 minutes. Cook the pasta to your preference and drain, saving half a cup of the cooking water. Pour pasta back in to pot and mix with the roasted tomato and basil mixture. Add in the reserved cooking water and toss over medium heat. Yummy!
