## From the Golf Pro Shop By Brian Schmidt

Happy May everyone!! I can't believe the Winter Season is over. We certainly have had great weather for most of the golfing season. I hope everyone has enjoyed the playing conditions and I can't wait to get you back in the fall for another great year.

The recent PMGA Jack and Jill event was a success. Thank you to all of you who participated in the last big event of the Winter Season. We will look forward for the PLGA Jill and Jack event in the fall.

Please mark your calendars for our annual Member Memorial Day Golf Scramble on May 26, 2018. This will be a 4-person scramble with a shotgun start at 8:30AM. The cost of this event will be \$32.00 per person which will include golf and food as well as beverages on the course. Please sign up in the Golf Shop as we get closer to the date.

Golf Etiquette Section: This month I want to talk about Blue Flag rules and regulations. Golf Carts that use blue flags may drive to within 10 feet in front of the greens and tee boxes. A blue flag does not allow you to drive between the green and the next tee box except on holes 7, 8 and 18 where you may drive on the rough to the tee markers. A blue flag does not allow you to drive between the green and sand traps. Also, no blue flags will be issued when cart path only is in effect. Driving carts too close to greens and tees will result in compaction problems. We want to keep Peridia and its Golf Course in great condition and this is one way to do that.

Last minute reminder's for all of you members leaving us for the summer. Please check your trunk, garages, and golf bags for any extra range balls that you may have. Please return them to the Golf Pro Shop before you leave. Again, I want to thank everyone for a special Winter Season. You made all of our jobs in the Golf Pro Shop and Cart Barn a fun experience. Please be safe on your travels back home and see you back at Peridia in the fall.

## From the Golf Course Superintendent

By Raymond Bartels, CGCS

On Monday, May 21 the Golf Course will be closed to aerate the greens. I am sorry for any inconvenience, this cultural practice is a necessary evil to ensure the longevity of the greens. Enjoy the Golf Course and hope to see you out there.

**UNAUDITED FINANCIALS**

Ending balances subject to change before Annual Meeting

Dear Member,

Peridia had a difficult financial year in 2017, with unanticipated expenses, reduced income, inclement and hot weather, a visit from Hurricane Irma, and a drainage problem at the weir. We ended the year with a financial deficiency. That's not what any of us wanted. The Board finally decided how they would handle the cash shortage.

The Board of Directors had been studying and planning how to cover a shortfall of operational funds from 2017 and the cost of refurbishing the weir which filters our lake water before it exits Peridia. I know members were hoping to hear about our plans at the April 9, 2018, Annual Meeting, but we hadn't decided how to handle these financial needs until the April 23, Master Board Meeting.

As 2017 ended, some 2018 operational funds were used to help resolve the year end shortfall, thus making the 2018 Budget inadequate causing a Cash Flow shortage of \$148,907. At the meeting a Board motion was made and seconded to add \$229.44 to each owner's 2018 assessment. That calculates to \$114.72 to be added to each of the remaining two quarterly payments. After much discussion it passed unanimously.

Next, we tackled the \$44,910 cost of repairing the weir. We paid this expense by borrowing from current capital funds. A pair of plans was discussed, followed by a motion to replace the cost of repairing the weir to this year's capital contribution. It too passed unanimously. It was determined that an additional \$69.20 would be added to each owner's yearly dues, or \$34.60 per quarter. Adding the shortfall together with the weir repair you will see \$149.32 on each quarterly statement.

The Board Meeting lasted longer than most because of these two topics. The attending members were patient as the Board discussed each item, and then had full opportunity to share their concerns on both agenda items. It was a productive meeting, plus it was nice to hear all the support for the decisions the Board made.

I thank you for your understanding as we amend the 2018 budget. We have already started off in the first 3 months of 2018 with revenue exceeding budget by \$25,016 and we will be controlling our expenses as the slow months approach. Please continue to enjoy your club's amenities. We need you!

Thank you,

Bill Handy

Master Board President

## General Manager's Column

March was another healthy month for our Club operations, our revenues exceeded budget in Golf and Food by \$18,966. With the help from miscellaneous income we ended the month with total revenues of \$386,887 exceeding budget by \$19,824. Cost of Sales Sold came in over budget by (\$616) and total expenses for March were over budget by (\$8,322). March's **Net** income beat budget by \$11,502.

Last week's Hot Dog Fest for the whole membership was okay. The weather did not co-operate as I had planned but we had 310 members buy a hot dog or brat. My target was 500, so the windy and cool conditions kept some of our members at home.

The Club House committee met with Sarah Colandor, the design specialist from Fawley Bryant, to start looking at colors, carpet samples, fabric samples and table tops for our face lift in September. I think that it was a very productive meeting, we came out of the meeting agreeing on color, carpet sample and table tops. We narrowed down the selection of chairs to 2 and the selection of fabric to 4, all in all a very good meeting. Next meeting will be scheduled when the chair samples arrive in 3 weeks.

On the Golf Course James and Frank have re-finished all of the benches that were in need of some paint. James replaced the tops of all of the bulkheads that were warped or broken. The new flags for each of the holes have come in and are out on all 18 holes. We have some tree trimming to get done, please be patient we will get that done during the summer months.

The work has started on the front entrance to the Clubhouse parking lot, it will take about 5 days to complete. This work is part of the capital projects approved by the BOD last November. The cost for the asphalt is \$15,200 and will be completed by the end of April.

The main irrigation line for the front entrance and down the center of Peridia Blvd. has been repaired at no cost to Peridia. This irrigation line was cut by the utility company that was hooking up the sewer system for the new apartments that are going up at the front entrance. We had our irrigation company Mondragon do the repairs and we have arranged with Kelly Frye to pay this invoice.

Hats and t-shirts have become a big issue in recent months and now the BOD has asked that the staff start enforcing the dress code. That means **NO TEE SHIRTS IN THE CLUBHOUSE DAY OR NIGHT** and **GENTLEMEN NO HATS IN THE RESTAURANT PERIOD AND PLEASE REMOVE YOUR HATS AFTER 5:00PM IN THE BAR AREA**. If you want to wear hats and t-shirt you are welcome to join Larry at the Tiki Bar. Please follow the rules so that you won't be embarrassed when asked to **PUT ON A COLLARED SHIRT AND/OR ASKED TO REMOVE YOUR HAT IN THE RESTAURANT AREA AND IN THE BAR AREA AFTER 5:00PM**.

Our Monday closings will start on May 21 and run for sixteen weeks, re-opening on September 10. Our first aerification will be that same day May 21. This will be with three quarter inch Tines and we will be pulling the cores, filling the holes with fertilizer and sand.

The irrigation project for the entire Golf Course will start on June 4; the target for completion is also September 10. If it all goes as planned, we will be opening all 18 holes at that time.

Continued on Back

## General Manager's Column continued...

I have had some members stop by my office and asked if I had a print out of the overages from last year's operations. So I thought I would publish the list in this Month's Scorecard.

The following is a list of expenses that were not budgeted or ran over budget for 2017:  
N/B means Not Budgeted; O/B means Over Budget;

Cable T.V.	N/B	25,500	Did not have the new number in Nov.
Chemical / Fertilizer	O/B	8,850	Extra Herbicide Applications
Reserve Study	N/B	7,750	Approved by the BOD
Engineering Study	N/B	3,830	Approved by the BOD
Weir Engineering	N/B	5,935	Approved by the BOD
Front Doors	N/B	3,773	Emergency
Gas and Propane	N/B	5,350	Heat Pump failure
Paint 45 <sup>th</sup> St. wall	N/B	4,305	Approved by the BOD
Irrigation Repair for Common Property	N/B	15,765	Repairing the broken piping/heads
Replaced dead plants and mulch Kilty	N/B	3,434	Approved by the BOD
Fairway Unit and Steiner Repair	O/B	11,345	Mostly the Steiner \$7,910
Credit Card Fees	O/B	10,215	Thought members would use signed accounts
Advertising	O/B	7,700	Ran the ad all 12 months budgeted 6 months
Cost of Sales	O/B	11,927	Includes Golf Pro Shop, Restaurant and Bar
Hurricane Irma	N/B	23,228	
Total Expenses		<u>148,907</u>	

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

# President's Blog

It's May! Summer is on the way. There are several special days this month to celebrate, like May Day, Kentucky Derby, Mothers Day, the Birthday Buffet, Tasty Tuesday's, Friday Night Dancing, and Memorial Day. Oops, I forgot to remind you that a visit to your Tiki Bar by the pool is always quite refreshing. There's a lot going on at Peridia Golf and Country Club.

Although the traffic is less congested, and it'll be easier to get a table at Peridia events, please don't be happy that Snowbirds are heading home. Peridia becomes like a car running on only half it's cylinders. We call it the slow season. We miss the smiling faces of each other until September when our fair-weather friends begin slowly filtering back to this paradise. Holding down the fort falls solely on our year-round Floridians. Thanks, full timers.

I hear members calling the next several months, "The Summer of Construction." It's already starting off a little messy with 45<sup>th</sup> Street all chopped up and the apartment complex in its early stages. Residents seem to be handling it pretty well so far. These projects are a temporary inconvenience that will eventually end. They may or may not be a permanent improvement depending on your perspective. It's happening, so we deal with it.

On the brighter side, some of the summer construction will definitely improve Peridia. The irrigation on the Golf Course will cover the whole course, greens, fairways, and rough. The sprinkler heads will be computer controlled so that it will be easy to monitor when and where we water. The brown spots will disappear. The improvement will be 'Huuuuge.'

The front section of Peridia's parking lot will be repaved this month. The potholes down the center as you enter and exit just keep getting harder to miss. GM Donato eliminated the underlying problem earlier this year. He had our maintenance crew, James and Frank, dig a trench and redirect the water draining onto the parking lot away from the swimming pool. It'll be a smoother ride for you to come to the club events.

The restrooms at the Golf Pro Shop and those on the Golf Course will each get a face-lift. No more will you feel like you're in a gas station bathroom along Route 75. New floors, fixtures, and fresh paint will make you forget the double bogey you just had. I just hope that the pleasant atmosphere doesn't cause you to dilly dally, adding to slow up play.

Something you won't see happening but will improve our foodservice, are changes to the kitchen. Our kitchen is very small, yet GM Donato plans to make alterations to help get food out faster. Members are filling up events. Faster service makes for happier patrons.

Finally, we had planned to give our Clubhouse a face-lift a year ago, but the capital funds were too tight. With an additional year of added funds, the restaurant committee decided to "Git R done". With the help of Fawley Bryant, a professional architecture and design firm, it will be completed for September in time for the return of our favorite snowbirds.

Don't sweat it,  
It'll be over before you know it,  
Bill Handy, Master Board President

# MASTER BOARD ANNOUNCEMENT

In an effort to maintain quality and safety as well as the best service possible to all our residents, the Master Board has established the following policy:

1. All residents with an outstanding balance remaining on their minimum can contact the Food and Beverage Manager to place any order larger than 3 meals before May 15. These orders will be treated like an event and must be received four days before requested day of pickup.
2. Raw food will not be available for to-go orders or any order, i.e. uncooked steaks/raw meat.
3. We do not have a package goods license for alcoholic beverages and by law cannot offer this as an option.

This policy will allow for the Chef and the F&B Manager to plan and order supplies for larger orders without shorting the dining membership each day.

## What is “Suspicious Activity” and Preventing Car Theft By: Pam Wallace, Chairman, Peridia Crimewatch Committee

Have you ever wondered what is suspicious, or what to do if you did see something suspicious? It's not the person that is suspicious, but the behavior that they are displaying that is. The following examples are things that would be suspicious activity.

- Someone walking down the street late at night with a backpack wearing dark clothing, possibly pulling on car door handles (Burglar).
- A vehicle parked and idling with its lights off with someone inside or driving through a neighborhood with its lights off late at night (Burglar).
- Someone ringing your doorbell looking for someone that you don't know or doesn't live there. They apologize and then walk away. They may get into their vehicle and drive away, or they may go onto other houses knocking on doors as well (Burglary).
- Someone that is constantly looking around an area looking at the security of a store or lingering in blind spot of a retail location (Theft).
- Someone that is following a delivery truck and they are seen walking up to a residence right after a delivery is made (Porch Pirate).

These are all examples of suspicious activity that should be reported to law enforcement immediately by dialing 911. 911 is the fastest way to get a deputy or officer to respond to something that is occurring right now. Don't post suspicious activity on social media but call 911 and give us the best description possible. Never confront suspicious activity as your safety is paramount. It's never a burden and no activity is too minor for a deputy to respond to.

In March we had two car thefts in Peridia; both were taken from outside the home and at least one was unlocked with the key fob left inside. One vehicle was recovered the next day. I do not know the details of the other one, only that it was stolen. 52% of all crime reports in Manatee Co. are vehicle burglaries, and 12% are vehicle theft. Both of these crimes are highly preventable, simply by protecting your vehicle in such a way as to deter the crime from happening. The most secure method is to put your car in the garage. Spring is a great time of year to clean out the garage and make room for your vehicle. Always lock your car and take the keys inside. Utilize outside lighting at night, such as flood lights that come on when there is movement. The thieves do not want to be seen or captured on camera, if you have them.

To our neighbors heading home for the summer, make sure that a neighbor has your contact information and that you have secured your residence and prepared it for Hurricane season.

Stay Safe!

## Neighbors Helping Neighbors - A Peridia Community Outreach Program

Maybe you don't feel comfortable going to the Clubhouse pool by yourself and would like someone to sit poolside and wait while you do your exercises or just enjoy the water. Or you'd like a neighbor to pick you up and take you to a meal or activity at the Clubhouse and then return to take you home. These are just two examples of how volunteers are willing to donate their time to assist their neighbors in Peridia.

Many folks in our community already have a support system in place...a relative, friend, or neighbor who helps out when you need it. But there are other people you may not know yet who are available and willing to offer assistance. You may be a spousal caretaker who needs a few hours respite to go shopping or just get away for awhile. We are happy to provide someone to come to your home to keep the person you're caring for company.

If you have trouble using up your food minimum, we can help by picking up and delivering meals to your home from the Club restaurant. Or we can provide a ride to the Club so you can enjoy a meal or activity onsite...like cards, lunch and a book, bingo, or whatever is being offered that you would enjoy. We also have been gathering information on various resources that may be of interest to you such as Meals on Wheels and other services.

If you'd like to request assistance, please contact Pat Smith at 941-739-7114 or Carol Boles at 941-666-8582. Let either of these ladies know what you need and they'll see if we have someone who can provide that particular service. **Don't be shy about calling us!**
