From the Pro Shop

By Brian Schmidt

Welcome back everyone. I hope all of you who have returned from the many northern states have had an excellent summer. Looks like the hot, humid summer days are in the past and cooler weather has arrived.

The Golf Course will be closed on Tuesday, November 15th after the PLGA, after the PMGA on Wednesday, November 16th and all day Thursday, November 17th for overseeding the Golf Course

The PLGA have their election of officers Free Lunch and Scramble on Tuesday, November 15th. Make sure to sign up in the Pro Shop when we get closer to the date.

The PMGA Director's Classic dates are Wednesday, November 23rd and November 30th. The scramble will be on December 7th with the awards/Bogey Bar lunch to follow the round.

The popular member 9 and Dine golf scramble and dinner has already started on Thursday evenings at 3:30PM. You can sign up a week in advance, so please do so as this event fills up quickly. The cost per person is \$29.75 which includes golf, dinner, tax and gratuity. Hope to see you join us for this great event.

We will be open on Thanksgiving Day. This will be a shotgun start at 8:30AM only for open golf, no event. The course will be closed after the shotgun is completed. Signup in the Pro Shop when we get closer to the date.

For the etiquette this month, I would like to talk about our golf carts. Around our tees and greens, please keep the golf carts on the cart paths. We do allow golf carts 10 feet from the front of the greens if a handicap flag is needed. But please do not drive the golf carts around the greens. Also, on hole #17, golf carts are to stay on the golf course's cart path. Please do not drive the cart down the sidewalk.

Hope to see you all on the links, and happy golfing!

THURSDAY "UTAH" GOLF LEAGUE

General Manager's Corner

Hurricane Ian left us with a lot of cleanup on the golf course , around the clubhouse and the common areas. We lost a total of 57 trees, 37 on the golf course and 20 in our common areas. Ray's crew spent Friday, Saturday and Sunday moving all of the downed trees to the side of the fairways and picking up all of the debris. Due to the hard work of Ray and his crew of Ronny, Duck and Willis we were able to open the golf course on Monday.

After Ray and his crew completed their work Miguel, our Palm Tree Trimming Contractor, assisted us by cutting up the trees and hauling them away. The heavy debris that was all over the course was the most difficult clean-up due to its size and volume. Miguel and his crew also worked with us to move all of the golf course debris to the Maintenance area and then he hauled 14 dumpsters worth of debris to the landfill. The fencing on the back side of the homes on Pro Am came down during the storm, but James and his guys (Frank and Tom) put all of the fence posts back up. The posts were put in concrete and the fence was reattached to the posts. There are a few of our common area palm trees that are leaning which will need to be either cut down or straighten back up and anchored.

Fortunately there was no damage to the pool area, Clubhouse, Pro Shop or to the tennis /pickle ball court areas. After assessing our damages, I would say we were very lucky. The Clubhouse and Restaurant were open for business on Friday, with only two days being closed.

We are seeing a lot of our members coming back earlier this year than normal, whether it is because of the cold weather up north or having to deal with repairs from the damage caused by Ian. In any case it is nice to see them coming back early and spending their money. 😊

And on that note, we have two new menus available. Our new appetizer menu will be available everyday from 11-8:00PM. Our new lunch menu offers a huge variety of options and includes several gluten free and vegetarian choices. If you have food allergies that require your meal be specially prepared, please tell your server and we will do everything we can to follow your request. If we cannot, we apologize and will try to find something that is within your restrictions.

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

By the Social Committee

Fall is definitely in the air; it's getting a little bit cooler and the traffic is beginning to heat up! By now we hope you have all been able to see the fantastic Halloween Decorations that have adorned our clubhouse, and very soon now we will begin the extensive job of Christmas Decorating. We are fortunate to have so many wonderful volunteers who do this for the enjoyment of the entire community.

PLEASE NOTE: The date for the Illumination Party is November 30th. It was incorrect in the last Scorecard.

There are many upcoming events from now through the first of the year. Our Veterans Day event, Illumination Party, Christmas Party, and New Years Eve Party.

Please remember, Peridia has a first come, first served reservation system. The forms are in the lobby and you need to fill them out with your entire table reservation (names of guests and member number). We always announce in the Scorecard (as an additional reminder) the day reservations will open for each event and that is the first day you can drop off your forms.

Please only bring in one reservation (can be an entire table) per person. It is for the fairness of the reservation process that we ask you to do this.

You still have the option of phoning in your reservation, but you must remember some events fill up faster than others, so it may require you getting up early on an event opening day to drop off your request, rather than taking a chance on phoning it in. Phoning in a reservation should only be done Monday through Friday. Leaving a message on the Peridia voicemail does not guarantee a reservation, someone will call you back to discuss your reservation.

We want to remind you that our Welcome Back event has been scheduled in January this year, for the first time in many years, to finally let those who return after the holidays participate in the event.

MEETING REMINDER:

The Social Committee's next meeting is on Thursday, November 3, 2022 at 2:00PM in the Clubhouse. We will meet the first Thursday of each month at the same time and place. All members and those interested in joining are welcomed and encouraged to attend.

Member's Holiday Party
Saturday, December 10, 2022

Cocktails 6:00 Dinner 7:00

Reservations Required beginning Monday, November 28th

Start with two great appetizers:

*Spinach and Ricotta Arancini with Sundried Tomato Cream
and*

Bibb lettuce with Heirloom tomato, Parmesan crisps, English cucumber, julienned radish, and roasted golden beets with sweet shallot vinaigrette

Choose one entrée:

Steak Au Poivre Filet

with jumbo lump New England Crab Cake and Choron Sauce

Or

Fine Herb Crusted Cornish Game Hen with Cranberry Orange Glaze

Both selections come with chef's choice of starch and vegetable

Finish is an amazing dessert:

Chocolate Mouse with Spiced Rum Whip Cream and Candied Ginger Crumble

\$38.00 per person, plus tax and gratuity.

Must make entrée selection when reserving table.

Christmas comes early at Peridia.....

Please help us make the Holiday bright. Peridia Golf & Country Club will again sponsor an Angel Tree to support the Salvation Army Toy Drive.

The tree is in the Golf Pro Shop. Choose an Angel tag from the tree and fulfill three wishes of the selected child. Or, ask a friend or neighbor to "share" in the shopping. Then, place the new, unwrapped items for that child in the collection bag. Secure it with your Angel tag and return it to the Golf Pro Shop.

Angels will also be available in the Clubhouse lobby at special events.

The final pick up will be Monday, December 5th.

Thank you for your continued support. Happy Shopping!

After the Storm and More Information

By: Pam Wallace, Chairperson Peridia Crime and Safety Committee

Welcome back to our latest snowbirds that have now returned. We are glad that you are back. First of all, I want to say how grateful I am that we did not sustain the damage and devastation that our friends and fellow Floridians experienced south of us. For many, there will be no re-building, and for others they face a long journey towards recovery. I am so proud to see communities coming together and working towards helping those who needed help and will continue to need support for a long time. Within Peridia, so many neighbors helped others before the storm, securing their property and removing outside obstacles, while others during the storm opened their hearts and homes to those either living along and/or without power, even if they lost their own power. In the aftermath we all pitched in to help with the cleanup, checking on one another and offering what we could do for each other. For many of us this was our first major hurricane and we were not prepared mentally for the reality and gravity of the storm, but we survived. There are some lessons learned from this however, including preparedness, whether it be removing trees/overgrowth, trimming, replacing older screening ahead of time and other tasks that could have mitigated some of the damage and expense associated with the outcome.

I received several calls regarding our evacuation levels within Peridia. Manatee Co. does not evacuate by zone, but by levels, and has nothing to do with flood zones. It is based on the storm surge level of the area that we live in. This is the website information that you can utilize to find that information: mymanatee.org then under Government choose Public Safety then select Emergency Management and "Know your level", then highlight Residential Information Tool and type in your address as instructed. Most of Peridia is in Level D which is very good but there are parts of Wedge Court and the 4400 block of Pro Am that are in Level B probably because of their proximity to the lake and the creek that is behind them. Also, part of Kilty Ct. is in Level C but the rest of it is in Level D. The levels are based on need to evacuate starting with Level A being first and it moves forward through the alphabet accordingly, so please review your information as instructed above. Evacuation is always your decision; it is not forced. Luckily, we are on higher ground than many areas and not close to the beach. Also, you can call 311 M-F from 8-5 to get more information and to report street signs that are down as well as red lights that are not working properly. They are very helpful and took thousands of calls during the hurricane.

You know that I always remind everyone to lock their cars if left outside, and since my last column in Sept. we have had several burglaries of this type in Peridia and in Fairfax. They caught a couple of the culprits and arrested them, but the next day there were other cars that were entered and items were taken, so there is most certainly more than one group doing this. Also, a resident asked me to mention that if you are getting roof replacements, or other maintenance done, please make sure that your roofer or contractor sweeps the property with a magnet for nails after the project has been completed. Several people have encountered flat tires because of this! I want to give a BIG SHOUT OUT to Peridia's GM, Ray and his staff and other people contracted to help with the preparation before the storm and clean up. Tom, Ray and others were riding the golf course at daylight the day after the storm and immediately began the massive cleanup. If you see any of these people, take a minute to stop and thank them for their hard work. Stay Safe!

HOME INSPECTIONS BY BUDDY THOMPSON INC.

A RESIDENT OF PERIDIA COUNTRY CLUB

Hello Neighbor: When you own or purchase a home, rental property, or a condo in Florida, you will likely need a 4 point inspection before purchasing a homeowners policy.

WHAT IS A 4 POINT INSPECTION ? The Roof, Electric System, Heating, Cooling and Plumbing. A 4 point inspection takes about 30 minutes and is only visual. Now your Insurance company may want you to get a Wind Mitigation.

WHAT IS A WIND MIDIGATION ? Wind mitigation is the process of adding features to your home that help withstand or increase resistance to high winds caused by a major storm or hurricane. **Why Do Florida Homeowners Need It?** *Safety:*

In addition to saving you money, mitigating your home against severe weather can also protect your family in the event of a major storm. Installing hurricane shutters on your windows or hurricane straps on your roof reduces the risk of flying debris penetrating your home and putting your family in danger.

Now if you are selling a home or condo, you may want to get a inspection to make sure everything is working properly and no issues like water stains in the attic, leaky faucet, appliances, hot water heater etc. A new buyer will have an inspection before purchasing so you don't need problems. If I can be of any help please feel free to call on me.

I'm just around your corner. Thank You. Buddy Thompson . **941-704-0072**
