From the Pro Shop

By Brian Schmidt

Happy October everyone!! I hope all of you have had an excellent summer.

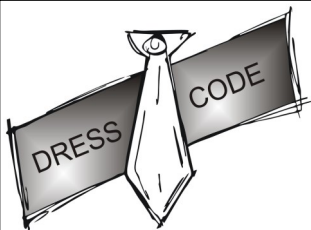

The PLGA have their Fall Kickoff Scramble and Luncheon on Oct. 26, 2021. Sign up in the Pro Shop for this great event.

The popular 9 and Dine will continue on Thursday afternoon October 14th. Sign-up is available a week in advance and the starting time for the event is at 3:30 pm. See the Pro Shop for details.

Please stop by the Pro Shop as we are having a summer blow out sale on most of our merchandise before our new line comes in this fall. All of our golf shoes are 10% over cost. Shirts and skirts are up to 35% off. If you have time during your day, stop by and say hello and check out our sale.

Golf Etiquette Section: This month I want to talk about Blue Flag rules and regulations. Golf Carts that use blue flags may drive to within 10 feet in front of the greens and tee boxes. A blue flag does not allow you to drive between the green and the next tee box. A blue flag does not allow you to drive between the green and sand traps. Also, no blue flags will be issued when cart path only is in effect. Driving carts too close to greens and tees will result in compaction problems. We want to keep Peridia and its golf course in great condition and this is one way to do that.

Members: Please remember our Dress Code when bringing guests to the Clubhouse.

Casual Country Club attire is acceptable for regular dining. Acceptable attire includes blouses for women, collared shirts for men, golf shirts, knit tops, khaki pants or walking shorts, slacks or skirts. Jeans are discouraged.

Unacceptable attire includes cutoffs, short shorts, gym or running shorts, sweat or jogging suits, ripped, torn or ragged clothing, tee shirts or tank tops.

Gentlemen must remove their hats when in the dining room, after 5:00PM in the bar, and on Sunday all day. Tee Shirts and hats are allowed at the Tiki Bar.

General Manager's Corner

I am happy to announce that Brad Little has joined our Peridia team as our Food and Beverage Manager. Brad comes to us after eleven years with Bill Casper Golf Management LLC. If you see him walking through the dining area, stop him and introduce yourself, he is very easy to talk to.

Below is a brief bio written by Brad:

I would like to introduce my self as your new Food and Beverage Manager. My name is Brad Little and I come to you from The Country Club of Eaglebrooke in Lakeland, Florida. I have spent over 15+ years in the hospitality industry in country clubs ranging from full private to public golf courses. I am originally from Toms River, New Jersey and moved to Tampa when I was 12 years of age. I am not married but, in a great relationship with my girlfriend Katie and we have 1 dog and 2 cats. I currently live in Brandon, Florida and look to move closer to Peridia in the near future. I have only been here for 2 weeks but I can already tell how much the members support the club and care for the staff and each other here. I am very happy that I decided to make the move to Peridia and look forward to meeting everyone.

The following is an update on our Capital projects:

BULKHEADS ON #3 and #4: Both bulkheads have been completed and both look fantastic. Replacing the square look of #4 bulkhead with a curved bulkhead has resulted in a much improved look.

PUMP STATION: The new 75 horse assembly for the pump house will be installed this week and the old 75 will be taken out to be repaired at same time. Once this is completed our golf course irrigation schedule will be back to normal.

BRIDGE: It is looking like it may be the first of October before the lumber is delivered. We are getting very close to the beginning of SEASON hopefully Eagle Golf will be able to get started on the project AS SOON AS the lumber arrives. I am pushing Eagle Golf on this project to complete the project by the middle of November. During the construction of the bridge, we will be reversing the two 9s so that our members will be finishing their round on # 9. This means that our # 10 hole becomes our # 1 hole and our #9 hole becomes our # 18 finishing hole. This will help with the traffic flow while the bridge is under construction.

LAKE BANKS: This year's lake bank project has been deferred to 2022 due to American Shoreline having to reschedule us for January due to their lack of employees.

CART PATH: We have decided to move the Cart Path replacement project to next year due to this year's extended rainy season and our concrete contractor being behind schedule. We will plan on starting the project next year after the winter golf season.

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Tom
