Happy October everyone!! I hope all of you who have returned and are returning from up North and those of you who have been in Florida have had an excellent summer.

The PLGA have their Fall Kickoff Scramble and Luncheon on October 11, as well as the popular Spooky Golf Night Scramble. Spooky Golf will be on Saturday October 29. Sign up for Spooky Golf this year will be a lottery. You will be able to start signing up on October 11 in the Golf Shop. See the October insert for more details.

The popular 9 and Dine will continue on Thursday afternoon October 6 at 3:30PM. Sign up is available a week in advance and the starting time for the event is at 3:30PM. See the Golf Shop for details.

As you know the Golf Course was in great shape this summer which has turned out beautiful thanks to Ray and his Staff. They are owed a big Thank You for the job that has been done. With that said, it's up to everyone to keep it looking that way. That means those golfers using golf carts are going to have to abide by all the rules. We need to fix divots and ball marks on the greens and rake the traps, all common etiquette practices. We should all take pride in the facility! Thanks for your understanding.

Please stop by the Golf Shop as we are having a summer blow out sale on most of our merchandise before our new line comes in this fall. Most of our golf shoes are 25% off with some shoes at 10% over the cost of the shoe. Shirts and shorts are up to 25% off. If you have time during your day, stop by and say hello and check out our sale.

By Raymond Bartels, CGCS

As many of you know, the Fall Season is upon us. In preparation there will be work done to the Golf Course; practices such as vertical cutting, grooming, sand topdressing and applying pesticides. These work tasks should not hinder play at all but, I do apologize for any inconveniences. Enjoy the Golf Course and I hope to see you out there.

General Manager's Column

Hermine brought us 14 inches of rain during its visit to the Gulf of Mexico. Our Golf Course was closed due to wet conditions during those three days that Hermine was sitting out in the Gulf trying to make up its mind where it was heading. We were cart paths only for a week after he left Florida, but it left with no serious damage to the Golf Course.

I wish I could say the same about the other areas of our property. We lost the canvas off the pool bar, we lost the driving cage for our golfers to use when warming up and our tennis court fence on the north side of the courts bent from the foundation to the top by 4 feet. We have received three bids on the fence and pool bar, so repairs should be on their way as you read this article.

This month we have our Welcome Back Party for those of you who attended last year. I am sure that you remember how crowded the Club was and how long it took to serve all 176 members. So, this year we will be limiting reservations to the first 100 members and then we plan on doing it all over again on Saturday night. We will be serving the same food and presenting the same entertainment. The lottery for this event will take place on Monday, October 10 at 10:00AM. This is a pre-paid event. Don't miss out on your opportunity to wear jeans, boots and cowboy hat. Plan on getting your picture taken in front of the red barn, sitting on your saddle.

We have Spooky Golf scheduled for October the 29; please don't wait until the last minute to sign up for this fun event. Bingo on October 4 and October 15 have been above average crowds, so get your table together and prepay before you miss out.

For the month of October I plan to continue with Monday Madness from 4 to 6...all drinks at ½ prices and free Chef Bites while they last. We tried this last month and members loved it. For those of you who have not tried Chef Bites, they are great. His Monday bites have ranged from hot wings, beer dogs, meatballs, chicken sliders to only the Chef knows what's next. It is a fun night to get together with your neighbors and just relax after a stressful weekend.

Coyotes have been spotted in the area on several occasions; please take the time to go out with your pets when letting them out for their potty break. Coyotes won't attack your pet if you are in the vicinity. This is not the first sighting but it is the first time a coyote has been sighted this far south of Murfield.

Remember, I always have time for your questions or comments, so please stop by my office; my door is always open.

President's Blog

The "Busy Season" is back. It's great to see familiar faces appearing on the Golf Course, in the bar, and in the restaurant. More members are here to partake in Club activities. The more the merrier is my feeling. After reading the Scorecard, I realize how spoiled we are with all the wonderful activities at our Club. There is something for everyone choosing to participate.

For those of us with houses on the golf course, it's people watching time. As golfers tee off behind my home I enjoy all the creative golf swings. The swings are all so different. Most are pretty effective as the ball stays in play. Some, on the other hand, including myself, could use a few lessons from Mitch Riley, Peridia's Pro. "How do I know the lessons are needed," you ask? Well, after they hit their tee shot, a great many of them look to the right at the water on 18, and then they put down another ball and swing again.

After golfing, meeting in the bar gives golfers the chance to enjoy fun stories about their rounds. "Did you hear the one about the guy who let his golf bag go for a swim?" I've even been told that a woman fell in the lake on #3 and had to be rescued by our GM. I don't know which is funnier, a golf bag in the lake or golf clubs hanging up in a tree. Probably the best stories are the "holes-in-ones." Celebrations usually follow each one and members talk about them for years, especially if it's on Hole #4. Don't forget to buy the Charitee ticket if you want a chance to win \$1,000. I know most won't get the hole-in-one, but you also can win \$20 if your tee shot is within the length of the flagstick, and you always get a free drink in the bar. Plus a good feeling that you've donated to the Manatee Food Bank comes with the purchase of every ticket.

Tom Donato and Chef Todd are attracting more patronage to the "Terrace on the Green" restaurant. Members' enthusiasm is on the rise. Activities and events fill up quickly due to increased member interest, Chef Todd's tasty menu options, and Donato's promotions. I recommend members read the *Scorecard* thoroughly as soon as it comes out, pencil in important dates on their calendars, and get their groups together to sign-up for the events as quickly as possible. The early birds get the reservations. If you don't pay attention, the Public may fill your spot.

I'd like to welcome new members who have joined Peridia over the summer. It's our members who make our Club a great place to live. Get to know your neighbors and join as many activities as you can. The more members you know, the more benefits you gain. I hope longtime members reach out to help their new neighbors get integrated into this great community.

Finally, I would be remiss not to mention that the Master Board will need your help to update our governing documents. Getting the 70% approval required by our current documents is a standard higher than suggested by the Florida Statutes. Most of the requested changes are due to the ever-changing State Statutes. Component Association representatives will agree upon any other changes before we recommend the package of modifications for a full member vote. If you'd like to review the current proposals of articles to be amended, go the [Master Board's Corner](#). This will be the best place to stay abreast of the recommended updates.

Welcome Back!

Bill Handy,
Master Board President

Chef Todd's Corner

I would like to welcome back our northern members. I can't wait to see you all again. I hope your summer was fun filled and enjoyable. As many of you are traveling back down to stay warm during the colder months, we at the Club of course will be getting busier providing you with many functions and events for you to enjoy. Please make your reservations early because it's going to be so good it will fill up fast.

I am excited to tell all of you about our new Monday happy hour, featuring half priced drink specials and complimentary munchies. Each week we will offer something different for your taste buds to enjoy. Also, we will be launching our new menus this month with many new tempting items for you to try, so please come and enjoy your Club.

Sincerely,
Chef Todd

Salmon with Lemon, Capers, and Rosemary

Ingredients:

- 4 (6-ounce) salmon fillets
- 1/4 cup extra-virgin olive oil
- 1/2 teaspoon salt
- 1/2 teaspoon freshly ground black pepper
- 1 tablespoon minced fresh rosemary leaves
- 8 lemon slices (about 2 lemons)
- 1/4 cup lemon juice (about 1 lemon)
- 1/2 cup Marsala wine (or white wine)
- 4 teaspoons capers
- 4 pieces of aluminum foil

Brush top and bottom of salmon fillets with olive oil and season with salt, pepper, and rosemary. Place each piece of seasoned salmon on a piece of foil large enough to fold over and seal. Top each piece of the salmon with 2 lemon slices, 1 tablespoon of lemon juice, 2 tablespoons of wine, and 1 teaspoon of capers. Wrap up salmon tightly in the foil packets.

Place a grill pan over medium-high heat or preheat a gas or charcoal grill. Place the foil packets on the hot grill and cook for 10 minutes for a 1-inch thick piece of salmon. Serve in the foil packets.

Beware the Con Artist

By Ginny Lighthizer for the Crime Watch Committee

Yes, scammers are really out to get you! Con artists are skilled at manipulating people into divulging personal information and even handing over money on the spot. They steal mail left out for the postal carrier, hoping to snag an envelope with a check in it. Then they can engage in check fraud. They use online communications to solicit information and funds. Social engineering attacks are on the upswing. In these attacks, they rely heavily on human interaction, either by phone or e-mail, to engage or enrage you in order to capture financial or personal information...or to steal your money.

The IRS scam is alive and well. To report an individual calling you from "the IRS" to demand past due taxes, call 1-800-366-4484 or go online to www.tigta.gov, for the Treasury Inspector General for Tax Administration.

Con artists often have some information about you to make an e-mail seem legitimate, especially if you are rushed or distracted. Be on your guard! Be selective about where you use a debit card. Some agents working with financial crimes advise only using a debit card at an ATM machine. They also suggest being alert to skimmers at point-of-sale machines, such as gas pumps, and ATM machines. One agent suggested never using a credit card at the gas pump because of the difficulty in spotting some skimmers. He recommends always going inside to pay. While this may seem extreme, it may be worth considering if your card is compromised every year or multiple times every year.

Remember never, ever provide or verify any personal information including computer information and never send any money to a stranger who contacts you, no matter how much they threaten you or try to intimidate you. Verify that they are who they say they are by calling back the company/agency they claim to represent. Report suspicious contacts to the police or appropriate authority. Be safe and don't be a victim!

MEDICARE OPEN SEASON-CAN YOU SWITCH PROVIDERS? SHOULD YOU?

Join Gordon Baum of SHINE (Serving Health Insurance Needs of Elders) on Friday, October 14 at 10:00AM for a discussion on Medicare Supplements. This will be an informational session of interest to all of those currently on or about to be eligible for Medicare. What should you consider when deciding on a Part D, prescription drug, plan? Should you switch from your current plan? Can you switch? Will it cost you more or is there a way to save money on the coverage that you need?

This informational session will help you decide if a one-on-one meeting on October 25 or 26 would be helpful to you. Please call the office today and reserve your seat.

ARE YOU PAYING MORE THAN YOU NEED TO FOR YOUR MEDICARE PART D, PRESCRIPTION DRUG POLICY?

SHINE CAN HELP! SHINE (Serving Health Insurance Needs of Elders) is a program funded by grants from the Centers for Medicare and Medicaid Services and the State of Florida legislature and offered through the State of Florida Department of Elder Affairs. Specially-trained volunteers assist with Medicare, Medicaid, prescription drug and health insurance questions by providing information and comparing policies. On Tuesday, October 25, and Wednesday, October 26, SHINE volunteer Gordon Baum will be here in Peridia, at the Clubhouse, to meet with you or you and your spouse to research the best plan for you, given your specific medications and providers.

Call the office and make an appointment, available every hour starting at 10:00AM. Bring with you the names and doses of your medications, your doctor's names and locations and the name of your hospital(s) of choice.
