## From the Golf Pro Shop

By Brian Schmidt

Happy September everyone!! I hope you have enjoyed your summer thus far and are looking forward to the cooler weather ahead and the rain to halt, I know that I am.

Please stop by the Golf Pro Shop as we are having a summer sale on most of our merchandise before our new line comes in this fall. All of our golf shoes are 10% over the cost of the shoe. Also, if you're in the market for a new golf bag, all bags are 25% off. Most ladies' and men's clothing is 30% off the sticker price. Please stop by the Golf Pro Shop if you have time during your day and say hello and check out our sale.

The PLGA has been playing on Wednesday mornings at 8:30AM this summer with the Course being closed on Tuesdays. On September 17, the Golf Course will reopen on Tuesdays so the PLGA will start playing on Tuesday mornings at 8:30AM shotgun.

Etiquette 101: I would like to talk about everyone's responsibility operating our golf carts. Please abide by all signs on the Course, cart path only signs and no carts beyond this point signs. We are trying to keep carts on the cart path as much as possible. Use the 90 degree rule even if the Golf Course is dry and always park all four tires on the cart path near green's and tees. Because of the summer time we have a short staff of volunteers. Please call the Golf Pro Shop to inform us of anybody driving the golf carts in places that are not permitted.

I hope to see you all on the links as our summer season comes to an end. Happy Golfing!!

## General Manager's Corner

First things first .... There is a rumor that is going around that I am going to resign as your General Manager. This is just a rumor started by our Golf Pro, Brian Schmidt. He started the rumor right after I beat him playing golf at a nearby golf course. Seriously, I think Peridia is a fantastic facility, members here are great, and the employees are very hardworking and they create an atmosphere where the members want to come out and enjoy their Club. So, I am not planning to leave anytime soon. Come on Brian challenge me again. 😊

The Foxtail Palm Trees have been planted and with this rain are doing very well. I am working on a plot plan on where future trees need to be planted, including around the Clubhouse.

Galaxy pools started on August 12<sup>th</sup> replacing our pool's filtering system. It will take them 3 weeks to complete the job but then we will need an additional week for James and Frank to paint the deck. We are off schedule because of all the rain that has hit us this past 6 weeks. Those of you that have not seen the new sun sail that we put in last month, it is giving us some extra shade next to the Tiki Bar and we are planning to put in another sun sail on the other side of the Tiki Bar sometime this September. The pool and Tiki Bar area have become a very active area for our members to enjoy, if you haven't gotten out there to try it, please do so before the snowbirds get back.

The pool bathroom and the two Golf Pro Shop bathrooms have been re-tiled, we also put in new partitions and new sinks. We still have ceilings to repair and new lighting to put in, should have that all done in the next couple of weeks.

Bay Area Electric will be working with FPL to bring the upgraded wiring to handle the 1000 Amps that is coming in from FPL's transformer. FPL has scheduled this work for September 4th and 5th. The plan is to have FPL shut down the electricity to the Clubhouse for 2 days allowing the new service to be installed. During these two days, BAE will be working on the new gear box to get us up and running ASAP.

With all of this rain that we have had this summer the Long-Range Planning committee is looking at the Golf Course drainage problem. They are not going to have a solution with a snap of their fingers. There will be a number of meetings and a lot of ideas discussed before they can make a recommendation to the BOD. Please be patient.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

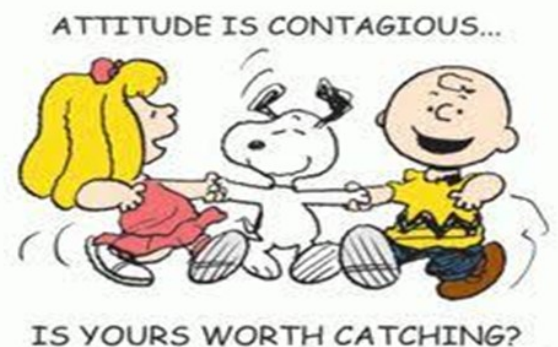

Tom

## President's Blog

The Birds are starting to fly south. The Florida weather is only part of the attraction. Peridia Golf and Country Club provides the activities for members to enjoy a vacation life style. So the question is, "Do you live your Peridia life to the fullest, and focus on the positive?" Here are some ways you can get involved and meet new and old neighbors in our community.

1. Look for events in the monthly "Scorecard." It is filled with information that you need to know if you want to be up to date on "*What's happenin.*"
2. Attend as many Peridia events as possible. That's where members congregate with their friends and hope to find new acquaintances.
3. Join a golf league, bowling, tennis, pickle ball, cards, mahjong, etc. Repeatedly meeting up with a particular group helps you to discover where you fit in to Peridia's picture.
4. Volunteer your time to one or more committees. Committees work best if the members decide of their own free will to participate. The salary is not great, but getting to know people is worth the effort.
5. If you want to meet other members, try being neighborly first. There are lots of activities and get-togethers at members' homes. If you want to get invited, be the first to invite. Your friendly gesture will be appreciated and you'll get on the pay-it-forward list.
6. Attend HOA meetings and share your ideas. Your ownership in Peridia gives you two opportunities to be heard. First there's your neighborhood HOA. Secondly there's the Peridia Property Owners' Association, PPOA. Both groups hold monthly meetings. If you read the "Scorecard" you'll know where and when to attend.
7. Walk around the community and say, "Hi, neighbors!" I walk my Irish Setter, Lucy, around Peridia to look for squirrels. We frequently meet other pups, joggers, walkers, and bike riders. Friendly ones are willing to make smiling eye contact and share a few pleasant words with us. Try it; you'll like it!
8. Look for opportunities to share your **positive** ideas. This is very important if you want to make and keep new friends. It's hard to be positive all the time, but going down the negative path will tarnish your reputation. People will avoid further contact with you if you speak negatively about other members, get into political controversies, or become a constant complainer. Be upbeat and positive. It goes a long way when making and keeping friends.
9. Be careful of what you share on social media. What you post on Facebook, Twitter, Nextdoor-Neighborhood, etc. may seem innocent to you but is out there for all to read. It may offend other members or be a detriment to Peridia. Spreading rumors or gossip is dangerous. Remember, you are Peridia. "We are Family."
10. Finally, put your "be nice" self out there.

Think Positive, Be positive,  
Bill Handy,  
Master Board President

### Upcoming Social Committee Events

We would like to tell you about some of the exciting events coming up that the Social Committee of Peridia has been planning.

- The **Welcome Back Party** on Saturday, October 19, 2019 is being held to welcome back our Northern Friends. The theme is "Bavarian Fall Festival". Wear your favorite Bavarian outfit or hat and join us for an evening full of food, drinks, dancing and lots of oom-pah-pah singing. (Please see the ad in this Scorecard for all the details.) The Food Bank of Manatee will provide a food barrel (which will be in the Clubhouse), so please bring a non-perishable food item for this worthy charity. A list of suggested items is provided in the Clubhouse office.
- Monday, October 28, 2019 from 4-6:00PM during the Monday Madness event we will have a **Halloween Costume Contest**. Prizes will be awarded for best costume, funniest costume, etc. A 50-50 raffle will be held.
- The **Fall Fashion Show**, "Spooktacular, Women, Wigs and Wine" will be held on Thursday, October 31, 2019 at 11:30AM. Foxy Lady is providing clothes for the fashion show. Donations for gift baskets are requested. Also, to give further fun, costumes can be worn by those guests who wish to participate and fun prizes will be awarded for best, funniest and other categories. (Please see ad in this Scorecard for further details.)
- The **Veterans Day Dinner** is planned for Saturday, November 9, 2019 at 5:30PM. This event honors the brave men and women in our military, so plan on helping us to honor them. (Further information can be found in October Scorecard.)
- Monday, December 16, 2019 from 4-6:00PM during the Monday Madness event we will hold an **Ugly Sweater/Shirt Contest** with prizes for ugliest, etc. A 50-50 lottery will be held.

**\*\*Please remember to reserve your spot (table) early as the events are fun and usually sell out.\*\***

During the holiday season, we have the Illumination Party, Chanukah Luncheon, Christmas Party, and New Year's Eve Party – all exciting celebrations. So plan on joining us at all these happy events throughout the 2019-2020 season. Don't forget that after the New Year in 2020 there are more wonderful events being planned so read your Scorecard each month.

## Safety Tips for Hurricane Season and Emergency Situational Awareness

By: Pam Wallace, Crimewatch Committee Chairman

Well it's that 'time of year' again where we have entered into hurricane season. We have many new residents, so I wanted to offer a few tips on preparing for and reacting to hurricanes.

First of all, have a plan. Do we stay or do we go? That is the question that we all ask ourselves and we should prepare for both situations. Think ahead and prepare for evacuation. Just simple things that we can do that will minimize stress and confusion in the midst of having to make that decision. Are you well stocked with water, batteries, non-perishable food? If you have a pet, do you have adequate pet supplies on hand, or if you take care of another person, are they prepared and provided for? Are medical records, prescriptions, pharmacy information and the like easily accessible should you have to evacuate? Do you know the evacuation route? Keep your vehicle filled with gas. Important documents should be in one location where you can easily transport them with you. If you do leave, take food, snacks, water, tissues, etc., as options can be limited along your travel route. Have emergency cash available because without power, credit card machines don't work. Keeping your phone charged and making sure you have a car charger in your vehicle if it did not come equipped with one can make the difference between having phone service or not.

Also, it is still very hot in the month of September, so please use caution while exercising and playing sports outside. The humidity can easily make the heat index over 100 degrees, so stay hydrated and keep water with you. If you observe someone having a medical emergency call 911 immediately. You can help and/or seek other help until emergency personnel arrive. Even if upon arrival they determine the person does not need to be transported, you have done the right thing by calling 911 first.
