## From the Golf Pro Shop

By Mitch Riley

**Tuesday Golf Shop Hours: 8:00AM - Noon**

Happy September everyone!! I hope you have enjoyed your summer thus far and are looking forward to the cooler weather ahead, I know that I am.

Please stop by the Golf Shop as we are having a summer sale on most of our merchandise before our new line comes in this fall. All of our golf shoes are 10% over the cost of the shoe. Also if you're in the market for a new golf bag, all bags are 25% off. Also, all ladies' and men's clothing is 25% off the sticker price. Please stop by the Golf Shop if you have time during your day and say hello and check out our sale.

Our maintenance staff continues to do an excellent job with keeping our course in tip top condition.

Etiquette 101: I would like to talk about everyone's responsibility operating our golf carts. Please abide by all signs on the Course, "cart path only" signs and "no carts beyond this point" signs. We are trying to keep carts on the cart path as much as possible. Use the 90 degree rule even if the Golf Course is dry and always park all four tires on the cart path near greens and tees. Because of the summer time, we have a short staff of volunteers. Please call the Golf Shop to inform us of anybody driving the golf carts in places that are not permitted.

I hope to see you all on the links as our summer season comes to an end. Happy Golfing!!

## From the Golf Course Superintendent

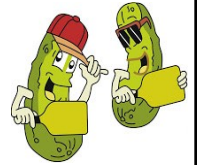

By Raymond Bartels, CGCS

We are in full Summer growing season. At this point we will be ramping up all cultural practices such as herbicides, insecticides, fertilizers, vertical mowing, mowing and topdressing. All this is necessary to ensure a good turf stand going into the Fall, which is right around the corner. On Tuesdays until September 27, I ask that everyone please stay off the Golf Course. We have started to have a few people throughout the day walking on the Golf Course and using the putting green. As I stated earlier there will be a lot of pesticides being applied. I apologize in advance for any inconvenience. Enjoy the Golf Course and I hope to see you out there.

## General Manager's Column

In August, the Clubhouse was closed for six days for cleaning and maintenance. Chef Todd rolled up his sleeves in the kitchen, where he was able to re-organize, clean, and paint. Chef and his crew did a great job. While that was going on in the kitchen, James, Paul and I took the men's pool bathroom and cut an opening into the bath from the kitchen to give Chef Todd more dry storage room. The second bathroom is now a unisex bathroom with a dead bolt that shows you when the room is occupied or vacant. James did some patching and painting of the walls in the Clubhouse; he tried to clean around all of the air ducts in the building but had some problems with the ceilings that have the sound proofing materials. Judy and her staff went through all of the storage areas to re-organize and clean. Judy herself stripped the wood floors, cleaned and polished them. Magic Carpet, our carpet cleaners, came in and cleaned all of the carpets in the Clubhouse. It was a very busy six days but we got everything cleaned and back together in time to re-open for Sunday Brunch.

The Second Annual High Tea and Truck Sale event was big success. There were 74 ladies all nicely dressed and showing off their hats. The ladies presented me with a very nice hat so now I will have one to wear to next year's event. Chef Todd's finger sandwiches and desserts were absolutely delicious. Our Sunday Brunches have been averaging 200 covers each Sunday since we lowered the price to \$12.95. The Bar is open every day from 11 to 6, Wednesday and Friday until closing. Happy Hour is every day from 11 to 5 with \$1 off all drinks. \$5 Burger Night, All you can eat Rib Night and All you can eat Fried Chicken nights have all been well attended. **PLEASE MAKE RESERVATIONS!!** We are sending out e-mails each day to alert our members of the daily lunch special as requested by our members. Judy and I have been trying to find ways to get our members to use the Club more often so keep reading your e-mails (you never know when there may be a big surprise coming your way). Judy, Chef Todd and I are planning on providing a super fun season this year with new menus and new venues. We are going to be trying to utilize the pool area more often in October and November. Our first new venue will be Burgers In Paradise, cocktails out on the pool deck with option to stay outside or move in for dinner. Entertainment will be Danny playing Steel Drums music from the Bahamas.

Yes the Golf Course is looking great!! But this rain is not helping as much as you may think, we haven't been able to get the oak trees trimmed, with this much rain comes a number of different diseases that Ray needs to stay on top of. Cart paths only days golfers follow the rules for the first two holes, then their carts are everywhere causing extra work for Ray to go back and fix the ruts.

The pool area has been a busy place this month with every one trying to find a way to cool off. Please take a moment to read our pool rules that we have posted on the east wall. Those rules help us provide a fun and pleasant atmosphere for the whole community.

Just a friendly reminder that your Garbage, Recycling and Yard Waste should not go out to the curb until after 6:00PM the night before it is to be picked up. Let's keep Peridia beautiful.

Remember, I always have time for your questions or comments, so please stop by my office, my door is always open.

Tom

## President's Blog

I feel I'm acting like my Irish setter this summer. Irish setters get one idea in their heads and stubbornly focus on it. They refuse to let it go. I've been drumming the changes to our Master Documents into members' minds this summer with weekly emails. I just kept sending them because that's the BOD's # 1 priority as we close out 2016. The proposed changes affect two of our documents, the:

BYLAWS OF PERIDIA PROPERTY OWNERS ASSOCIATION, INC.  
and the  
MASTER DECLARATION OF COVENANTS, CONDITIONS AND  
RESTRICTIONS FOR PERIDIA

If you aren't signed up for Peridia's emails, you can still see the proposed changes on the Peridia website, in the Peridia's *Members' Area*. Look for the "[Master Board's Corner](#)." All eleven (11) articles with changes due to Florida Statutes and rewritten by our HOA attorney are listed there. Changes are made in **BLUE**. You'll also find the Florida Statutes with *BLUE italics* referencing corresponding paragraphs.

There maybe additional articles added to the website in October. A committee of members from all seven components will review and may recommend additional changes initiated by our attorney. Why did he advise changes other than ones affected by FL Statutes?

As listed in the June Blog:

To eliminate obsolete provisions.

To eliminate provisions no longer observed or enforced.

To eliminate provisions that conflict with current laws.

To improve poorly drafted documents by clarifying ambiguous provisions.

To give the Peridia Property Owners Association's Board of Directors the proper framework for governing.

To give the 7 Component Associations' members confidence that the documents accurately describe members' rights, legal procedures, etc.

Stay tuned for future potential changes.

It has been 9 years since Peridia last updated the documents. Generally speaking, it is suggested that the docs be updated every 5-7 years. Reaching a 70% approval vote, which is currently required by our documents, requires everyone's efforts.

I hope you'll help Peridia refresh your governing documents. It'll be a tail wagging accomplishment.

Thank you,

Bill Handy  
Master Board President

## *Chef Todd's Corner*

Here it is almost fall; where does the time fly? Summer seemed to rush right past us. Soon our seasonal members will return and we can hardly wait. Thank you to all of our year round members for your support and patronage.

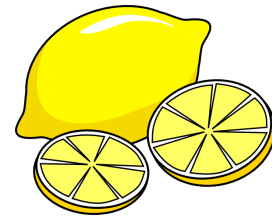

I hope you enjoyed your summer menus and events. The \$5.00 burger nights and the all you can eat menu's seemed to be a big hit and enjoyed by all. Rest assured you can look forward to more as we continue our search for ways to keep our members happy and with full tummies.

We will be launching our new seasonal menu at the end of this month and will be bringing back some favorite staples as well as a slew of new items to entice you all.

### **LEMON CURD**

#### INGREDIENTS:

- 3 OZ SOFT BUTTER
- 1 C SUGAR
- 2 WHOLE EGGS
- 2 EGG YOLKS
- 2/3 C LEMON JUICE
- 1 TSP LEMON ZEST

#### DIRECTIONS:

Cream the butter and sugar together with an electric mixer until smooth and fluffy. Egg the eggs and continue to mix until the eggs are completely incorporated. While mixing slowly add the lemon juice. (The mixture will look loose and separated after this stage of preparation. Don't worry it will all come back together when you cook the mixture).

Place the mixture in a heat proof, non reactive bowl and place over a medium low heat. Stir the mixture constantly until it begins to thicken and reaches a temperature of 170 degrees.

Remove the mixture from the heat and stir in the lemon zest. Allow mixture to cool to room temperature, stirring occasionally. When cool, lay plastic wrap directly on top of mixture so a skin doesn't form.

This is a classic to serve with scones and makes an excellent cake filling, Keeps for up to three days in the refrigerator.

## *Peridia Bowling League*

Each week after bowling, we go to a different restaurant for dinner as a group, if you are interested.

## Cell phone Safety

By Ginny Lighthizer for the Crime Watch Committee

Cyber threats are not limited to computers. Cell phones can be infected with malware and viruses similar to those found on computers. More and more, we use cell phones for banking and shopping. To protect against malware, viruses and other threats, AT&T offers the following tips:

- Keep the software on your phone up to date. The latest software updates include the best available protections to help defend against these viruses.
- Download apps only from trustworthy sources.
- Keep your pass codes private. Use more complex passwords to avoid others from easily guessing them.
- Watch your statements closely and report suspicious activity immediately.
- Keep security in mind when using your device and think twice before opening an email or a link when you are unfamiliar with the sender.
- Enticing links to viruses and destructive software (called malware) can be transmitted through text messaging from unknown numbers. Some hackers imitate legitimate contacts to lure users.
- When in doubt, keep your information private until you can confirm a source is legitimate.
