From the Golf Pro Shop By PGA Head Pro Mitch Riley

Happy September everyone!! I hope you have enjoyed your summer thus far and are looking forward to the cooler weather ahead, I know that I am.

Please stop by the Golf Shop as we are having a summer sale on most of our merchandise before our new line comes in this fall. All of our golf shoes are 10% over the cost of the shoe. Also if you're in the market for a new golf bag, all bags are 25% off. Also, all ladies' and men's clothing is 25% off the sticker price. Please stop by if you have time during your day and say hello and check out our sale.

Our maintenance staff continues to do an excellent job with keeping our course in tip top condition.

Etiquette 101: I would like to talk about everyone's responsibility operating our golf carts. Please abide by all signs on the course, cart path only signs and no carts beyond this point signs. We are trying to keep carts on the cart path as much as possible. Use the 90 degree rule even if the golf course is dry and always park all four tires on the cart path near greens and tees. Because of the summer time we have a short staff of volunteers. Please call the Pro Shop to inform us of anybody driving the golf carts in places that are not permitted.

I hope to see you all on the links as our summer season comes to an end. Happy Golfing!!

Scramble - Fall Kickoff Luncheon

From the Golf Course Superintendent

By Raymond Bartels, CGCS

We are in full Summer growing season. At this point we will be ramping up all cultural practices such as herbicides, insecticides, fertilizers, vertical mowing, mowing and topdressing. All this is necessary to ensure a good turf stand going into the Fall, which is right around the corner. I apologize in advance for any inconvenience.

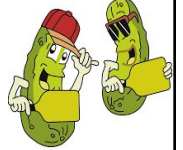

Enjoy the Golf Course and I hope to see you out there.

General Manager's Column

Rainy Days of Summer, hopefully by the time you read this article the rains have stopped and we are back to enjoying our Golf Course without seeing signs reading "Cart Paths Only". There have been many tee time cancellations this past two month due to rain...even though we have a short golf course "Cart Paths Only" signs tend to keep golfers from playing golf. Rounds are down by 20% compared to last June and July 2016 golf numbers.

When your golf numbers are down so will be your restaurant numbers, for June and July we are short 440 covers. Please take a minute to read this month's Scorecard it has all of the specials that we are running for the month of September. Our Wednesday, Thursday and Friday specials hopefully will give all of our members a reason to come to dinner during the month. I am excited about our Thursday night "All you can Eat Buffet" for \$11.95.

On the brighter side of Peridia is the list of projects that the staff completed during the week of Clubhouse shut down:

1. The Clubhouse got a fresh coat of paint, no change in color.
2. Alarm system has been fixed so that the sensors are all working in the Clubhouse. EMG is still working on the motion detectors in the Golf Maintenance area.
3. New bar cooler went in and the old cooler went out to the pool bar.
4. Dining room chairs all were washed and scotch guarded.
5. Kitchen was completely washed down from top to bottom; all of the equipment was scrubbed and polished. The kitchen floor was degreased; walk-in cooler was cleaned out and re-organized.
6. Back dock was pressure washed and painted.
7. As soon as the afternoon rains stop James is planning to fill all of the cracks and paint the pool deck. This will take about a week to complete. We will give enough notice so that our members won't be surprised to see the sign POOL CLOSED FOR REPAIRS.

Members have asked me how we deliver the Scorecard each month. I tell them that each HOA has volunteers that come in and pick up and then deliver one scorecard to each household in their Association. The volunteers that provide this service do an excellent job and should be greatly appreciated. Those of you who are seasonal please take the time to let your volunteer know when you are back or when you head up north so that your volunteer will know to start or stop delivering. If you would like to reach out to your volunteer to thank him/her for their time and effort, contact Nancy in the business office and she will provide you with the name of your volunteer.

Remember, I always have time for your questions or comments, so please stop by my office. My door is always open.

President's Blog

Mother Goose wrote, “It's raining; it's pouring. The old man is snoring.” That was somewhat true this past summer at Peridia Golf and Country Club. To be fair, it's not only the men sawing wood if there's a threat of pitter, pattering rain. This summer, Goose's lyrics could have rhymed, **it's raining; it's pouring. Most golfers aren't scoring.**

Every summer play naturally declines at Peridia Golf and Country Club. With many of our members and tourists up north, plus frequent days with steamy heat and inclement weather, we anticipate an increased drop in tee times and restaurant patronage. Both situations cause a drought in revenue. It happens every summer and we try to budget accordingly. One can never predict what Mother Nature will bring.

We've definitely gotten a lot more precipitation this summer than last year. In June and July combined, a total of 22 inches of rain kept golfers off Peridia's greens and out of the restaurant. We were down 270 rounds played as compared to 2016. August numbers aren't looking much better. Like Goldilocks, golfers want the weather to be **“just right.”** If it's too wet during the summer, golfers and particularly GMs usually think, “Rain, rain, go away. Come again another day.”

A forecast of 90° wet weather places a sizzling cloud over our bottom line. The risk of excessive heat, rain or a thundershower deters golfers. They watch the nightly news and if tomorrow's report offers a 65% chance that the heavens will open up, or eggs will fry on the cart path, they find something else to do. Cancellations by phone drizzle into the Pro Shop for previously scheduled tee times. Golfers who check the forecast the day before may choose not to golf whether it ends up raining or not. Thunderstorms are no joke, especially out on the Golf Course. Florida is known as the lightning capital of the United States. Even when the temp is moderate, or the course is wet, business slow down, especially, if golfers are limited to cart path only.

Excess rain creates additional problems. Puddling water on the course can be a problem because it acts as a magnifying glass, intensifying the heat, which destroys the grass. Additional maintenance and necessary supplies for repairing the course create unanticipated costs.

The restaurant's ability to bring home the bacon necessitates that we attract patrons. If members and public are not golfing, we still need them to float into the bar and restaurant. GM Donato has sprinkled numerous promotions trying to attract members and the public to the Clubhouse especially on rainy days. He has posted many creative offers on Facebook and emailed specials to over 2,400 patrons. Each time I open those emails, I can picture the exuberance members have for Monday Night Madness and numerous specially priced deals hoping to reward those who utilize the restaurant.

As we approach the closing of the summer season it is my hope that September and October's weather will bring in the crisp sounds of well-struck golf shots ... **“cha-ching, cha-ching, cha-ching.”**

Scams, Driver Safety Classes and More

By: Pam Wallace, Peridia Crime Watch Committee Chairman

To our snowbirds who will be returning this month 'welcome back' and to our new residents welcome to the neighborhood! The summer has been quiet which is a good thing! I do want to remind everyone to lock their vehicles if left outside and to keep their garage doors down. The Sheriff's office reports that they continue to receive reports throughout the county of items being stolen from unlocked cars and open garages.

Several residents have advised that they are receiving numerous calls from Microsoft demanding payments or to notify you that there is a virus on your computer that demands your attention. I have downloaded the following info from Microsoft's website for your review:

Cybercriminals don't just send fraudulent email messages. They might call you on the telephone and claim to be from Microsoft. They might also setup websites with persistent pop-ups displaying fake warning messages and a phone number to call and get the "issue" fixed. They might offer to help solve your computer problems or sell you a software license. Once they have access to your computer, they can do the following:

- Trick you into installing malicious software that could capture sensitive data, such as online banking user names and passwords. They might also then charge you to remove this software.
- Convince you to visit legitimate websites (like www.ammy.com) to download software that will allow them to take control of your computer remotely and adjust settings to leave your computer vulnerable.
- Request credit card information so they can bill you for phony services.
- Direct you to fraudulent websites and ask you to enter credit card and other personal or financial information there.

“Remember, Microsoft will never proactively reach out to you to provide unsolicited PC or technical support. Any communication we have with you must be initiated by you.”

AARP is offering driver safety courses this fall at select locations nearby. If you are interested in taking one of these courses, or completing it online from your home, visit AARP's website for further information. Check to see if your insurance company offers discounts on your car insurance for this class. The cost of the class is very reasonable and could save you some money on your car insurance! Our roads are more crowded than ever. 37th and 38th Streets are now open with two roundabouts. Paving on SR70 is finally being completed which should provide a smoother ride and less damage to our cars especially when entering through our main entrance! Please drive carefully.

Lastly, just a reminder to look out for one another. If you know that your neighbor lives alone and the newspaper has not been picked up as usual or you haven't seen them recently, check on them. If you suspect they may be in danger you can call the Sheriff's Dept. and they will do a welfare check.

Flu season is back and Wal-Mart Pharmacy is here to help protect you and your loved ones! On Wednesday, September 27, from 10:00AM to 2:00PM, Wal-Mart Pharmacy will be visiting our community and administering flu shots in the Clubhouse. If you are interested, please stop by the Clubhouse between September 5 and September 22 to sign up to participate and complete a consent form.

If you have any questions, please feel free to call your Wal-Mart Pharmacy Neighborhood Market at (941) 213-6910.

Starting up Sewing again at Peridia

If you like to sew and/or have scrap fabric, please join us on September 27 at 2:30PM in the Palm Room at the Clubhouse. We will be making lap quilts for the Manatee County Food Bank. They can use these for seniors and babies and hopefully we can get enough done before Christmas. Please join us!

**Any questions, please call
Barbara Van Buren @ 739-1551.**

Chihuly Collection at the Morean Arts Center

Wednesday, September 27 Leaving at 8:15AM

Cost \$88.00

A day trip to see the Chihuly Collection at the Morean Arts Center in St. Petersburg, home for permanent collection of Dale Chihuly's world famous glass art. This presentation is unique as it is the first installation of Chihuly art in a building designed specifically for that purpose. It includes his spectacular large scale installations such as the Ruby Red Icicle Chandelier and much more. Next we head to the Hangar Restaurant at Albert Whitted Airport. Choose from Oven Roasted Chicken Ciabatta, Flying Fish Tacos or the Hangar Burger plus a selection of mini desserts. Then we go to the Morean Glass Hot Shop to watch artists at work blowing glass. Then check out the gift shop.

Neighbors Helping Neighbors

A Peridia Community Outreach Program

As Peridia residents, we all know how friendly and helpful our neighbors can be. Many of us volunteer for various organizations and causes, and may already help out our neighbors on a regular basis. Now there is another opportunity to volunteer right in Peridia! It's through the **Neighbors Helping Neighbors Peridia Outreach Program.**

You may be aware of folks in our community who: 1) live far away from family 2) are older and in less than ideal health and/or 3) are less mobile on a temporary or full-time basis; and would welcome a helping hand from time to time. Many of these neighbors are unable to take full advantage of the wonderful amenities Peridia offers including our great restaurant.

This is why a small group of us got together to develop a program which we hope would benefit these neighbors.

Our goal is to help our neighbors re-connect to activities offered at the Clubhouse, thus providing social engagement and better utilization of our restaurant. Additional goals include sharing of helpful information to take care of home ownership demands, helping to identify issues that need to be addressed by family members and providing a spouse or other family caretaker time away to do an errand or just get away for an hour or so.

For this program to be successful, we need you to help us identify who could benefit, and then be willing to give of your time as a volunteer.

Volunteers may be asked to:

- Make bi-monthly home visits to engage home bound neighbors in conversation; encourage participation in Club activities; identify legitimate concerns that may need more professional or family support; and to share information that may be helpful to their daily living situation.
- Provide transportation to and from the Clubhouse if needed to participate in activities, or to eat at the restaurant
- Encourage homebound neighbors to either order takeout (volunteers would provide pickup and delivery) or to come to the Club for lunch. There will be a regular table at the Clubhouse on designated days where volunteers can bring residents for lunch.

A Kick Off meeting is scheduled for Wednesday, September 27, at 3:00PM in Peridia's Palm Room. Please call, text, or email Dorothy Gorman at 412-848-6166, drgorman46@gmail.com or Sue Brite at 941-780-5599, sue@suebrite.com to RSVP. Two "Sunshine" Lunches are scheduled for October 19 and November 16. Come to the Kick Off meeting to find out more!

This is a wonderful opportunity to get involved in a community outreach program that could really make a difference! Thanks for your support.

Committee members: Carol Boles, Sue Brite, Dorothy Gorman, Jane Martin, and Barbara Wendrich

4 Decades in the Real Estate Industry

Career Licenses in New Jersey, Pennsylvania, Ohio, and Florida. With my knowledge of Real Estate Law, I served in Management, Recruitment and Training.

Born in Philadelphia and raised in New Jersey my life has been an interesting journey. I married at an early age and had 2 children. Owned a carpet and tile business in the early 70's, with 10 ten trucks on the road hitting 6 digits of income yearly. After selling the business I ventured into real estate sales. I became a multi-million dollar producer in my first year. I then moved to Pittsburgh and became a Regional Recruiter for Prudential. During my 8 year tenure with Prudential I hired over 600 agents and was nominated "Recruiter of the Year" Nationally by my peers. I moved to Ohio and continued my real estate career and recruited stock brokers for a national recruiting company.

Now the last leg of my journey, the Sunshine State. Focusing now on my community of "Peridia". Living here in Florida for 14 years, I sell Peridia everyday. What could be better, Live, Laugh and Love everyday. I have my tennis buddies, my neighborhood buddies who all become my friends. Let my knowledge and experience help you today or in the future..

Elaine

Bourbon Glazed Salmon

Ingredients...

- 1 cup packed brown sugar
- 6 tablespoons bourbon
- 1/4 cup low-sodium soy sauce
- 2 tablespoons fresh lime juice
- 2 teaspoons grated peeled Fresh Ginger
- 1/2 teaspoon salt
- 1/4 teaspoon freshly ground black pepper
- 2 garlic cloves, crushed
- 8 - (6-ounce) salmon fillets (about 1 inch thick)
- Cooking spray

Combine the first 8 ingredients in a large zip-top plastic bag; add salmon fillets. Seal bag, and marinate in refrigerator 30 minutes, turning bag once. Remove fillets from bag; discard marinade. Place fillets on broiler pan coated with cooking spray. Broil 11 minutes or until fish flakes easily when tested with a fork.
