From the Pro Shop

By Brian Schmidt

I can't believe the Winter Season is over. I hope everyone has enjoyed the playing conditions and I can't wait to see everyone back in the fall for another great year.

Please mark your calendars for our annual Member Memorial Day Golf Scramble on May 27th, 2024. This will be a 4-person scramble with a shotgun start at 8:30AM. The cost of this event will be \$42.00 per person which will include golf and food. Because of the popularity of these summer scrambles, this event is open to Peridia Members only. We want to make sure we have enough space for every member who wants to play. We will start taking sign ups for the event on May 10th.

The golf course will be closed May 16th through the 19st due to aerification of the golf course. The golf course will reopen on Monday, May 20th.

The 2024 reciprocal list is posted in the pro shop. These are the list of golf courses in Venice, Sarasota, Lakewood Ranch, and Bradenton that will allow our members to play their golf course for a reduced rate compared to the public. The reciprocals will start May 1st through October 31st. Please stop in the pro shop and pick up a reciprocal sheet.

I wanted to take a minute and discuss golf play hours. Every night, weather permitting, the flags are pulled. If you cannot see the flags on the greens, the golf course is closed. Please refrain from practicing on or around the greens. Also, rounds cannot be started after 5:00PM when the pro shop closes.

Last minute reminders for all of you members leaving us for the summer. Please check your trunk, garages, and golf bags for any extra range balls that you may have. Please return them to the golf shop before you leave. Again, I want to thank everyone for a special Winter Season. You made all of our jobs in the Pro shop and Cart Barn a fun experience. Please be safe on your travels back home and see you back at Peridia in the fall.

THURSDAY "UTAH" GOLF LEAGUE

(No Handicap Needed)

The League starts at 8:31AM. Anyone wishing to play, please sign up on the sheet posted in the Pro Shop.

From the Golf Course Superintendent

By Raymond Bartels, CGCS

The weather is starting to warm up and with this I will be incorporating our spring and summer maintenance schedule. We will start vertical mowing, grooming, spiking, light top dressing and applying pesticides on a more frequent basis to the greens. These practices are necessary in their upkeep. You will also notice a lot more spot spraying of herbicides throughout the golf course to help control Spring and Summer weeds.

The Ryegrass on the fairways, collars and approaches will also start turning brown and dying off. This is known as transition. We will also be applying herbicides and other cultural practices to help with the transition from the Rye back to the Bermuda grass.

The golf course will be closed on Thursday, May 16th and re-open Monday, May 20th, at that time we will be aerating the greens, tees, collars, and approaches as well as deep spiking the fairways along with applying herbicides. On Tuesday, May 28th and or Wednesday, May 29th we will be having our drainage systems on the golf course cleaned out and inspected, this is done every 2 to 3 years as preventative maintenance.

RSVP to the Clubhouse.

On April 8, 137 members attended the Annual Meeting. The meeting was both informative and, at times, humorous. Thanks to all who attended and showed their support for Peridia.

On April 15, the Board held its Organizational Meeting. Officers for the next year are as follows:

President	Wayne Roell
Vice President	Mike Weaver
Secretary	Peggy Green
Treasurer	Bill Handy

In addition, liaison members to various committees were appointed. Those appointments are as follows:

Restaurant	Steve Kartholl
Long Range Planning	Bill Groves
Golf Advisory	Jerry Kroening
Social	Cathy Fagan
Tiki Bar	Mike Gutzler

The Board has received approximately 20 applications and resumes for the position of General Manager. A committee has been appointed to begin the interview process. That committee is Chairman Tom Andreacci, Bob Schippnick, Sandy Frank and Mike Weaver. They have already begun the process.

In the past two weeks, several repair jobs have been completed or are in the process of being completed.

There was a rather noxious odor at the Tiki Bar. James and his crew dug up the drain and discovered a clog had been caused by lemon and lime peels. They cleaned it and extended the drain a bit. There should be no other problems until we begin taking down the Tiki Bar.

The sidewalk leading to the driving range was badly in need of repair. Sections were removed, tree roots were dug up and new concrete was poured.

Some of the wind screens at the tennis court are damaged and torn. New screens have been ordered.

Many of the lights in our parking lot are out. James has begun the process of replacing them.

Some repair had to be done to the pump behind the #7 tee box.

The air conditioner providing cooling for the bar area had to be repaired

If any of you are aware of any problems that should be addressed, please do not hesitate to call or email me.

Wayne Roell
President, Master Board

April was busy with Peridia activities in full swing.

We bid farewell to many of the Snowbirds with “Planes, Trains and Automobiles!”

May will bring Mother’s Day Buffet on May 12th.

The Kentucky Derby Party will be Saturday, May 4th from 5-8:00PM. Full details in the Scorecard.

Reservations have begun, starting April 26th. A little hint: brush up on your Derby knowledge.

We look forward to the beginning of Summer golf events.

Tips to be Safer Tomorrow

By: Pam Wallace, Chairman, Peridia Crimewatch & Safety Committee

Happy May!!!! If the next 6 months move as quickly as the last few, our snowbirds will be back before we know it – I enjoy them very much and always look forward to their return.

2024 has thus far been interesting hasn’t it? Very little rain, the highest winds that we have seen in a non-hurricane season, tons of new restaurants have opened, more road construction/disruption and more to follow that – as well as losing our GM. Also, what the early Spring weather has brought is an uptick in attempted car break-ins, vandalism, burglaries and the ever persistent solicitors. I suspect we will see this trend continue and perhaps even expand when school gets out. For Peridia, we have been very fortunate not to have seen as much of this as our neighbor Fairfax has. This should alert us to be more vigilant with regards to protecting our property, including cars, golf carts, anything that can be damaged or stolen. I believe that most people already do the things that I have repeatedly mentioned in this column, such as keeping garage doors closed, locking cars if they are left outside, never leave anything of value in your car, keep doors, windows and sliding glass doors locked, and using your alarm system, if you do not have one, at least use a Ring doorbell, and most of all do not open your doors to anyone that you do not know. Let your neighbors know when you are going to be away overnight, get someone to monitor your doorstep for package deliveries and either forward your mail if you are going to be away for an extended period of time, or get a neighbor to get it for you. Don’t leave the signs in your yard for days and days that the lawn services place there acknowledging that they have sprayed your lawn. That is a tell-tell sign that you are away and makes you a greater target for crime. I have noticed in my daily review of the Manatee Co. Sheriff’s Dispatch report that people are reporting suspicious activity, suspicious persons, etc. more often and I am so glad to see that. If the criminals see that the sheriff’s department is patrolling more, they will go elsewhere. Also, if you are a snowbird, maybe hiring a person to check on your house while you are away, both inside and out is a good idea. Just let your neighbors know that someone will be doing that so they will not think that person is up to no good. Also on another note, there are some things you can do to make it harder for scammers to reach you, such as the following:

Open your iPhone’s contact list and add your family, friends, doctors and other important numbers, then go into your phone settings and turn on the setting for ‘silence unknown callers’. This will send any caller who is not in your contacts list directly to voicemail. Make sure you have signed out of any financial apps on your phone or PC, credit cards, etc. Make sure your account setting requires security measures such as a PIN; this ensures that if your phone is stolen the thief will not have access to your money. Move cards from your wallet or purse that you do not need to carry such as your SS card or Medicare card. Make copies front and back of the ones that you do carry so you will have that information readily available if your purse/wallet is stolen. Make sure your media settings are marked private which only allows people you choose to trust to view your pages and contact you.

Until next time, Happy Mother’s Day and Stay Safe.

Committee Update

The entire Tiki Bar Committee plus Food and Beverage Manager, Brad Little, met for over 2 hours on April 17. They again discussed moving the outdoor food and beverage service to the patio area outside the pro shop during construction. In addition to the tables and chairs already under cover in that area, Brad and his staff will be moving 6 round tables and 24 chairs to the area Monday evening, May 27. Brad will also be purchasing 6 new colorful crank-able shade umbrellas for those tables. He hopes to have the area open by 11:00AM on Tuesday, May 28th.

TBC focused primarily on the cladding for the front of the bar and continued to research higher quality bar chairs than what we presently have now. Four bar chair samples have been brought to the meetings for discussion.

In addition, Bruce Webb has had several individual conversations with Liz, our bookkeeper, and several subcontractors, all in preparation to get things coordinated and running smoothly.

To date, the TBC has placed an order with Russo's Restaurant Supply in the amount of \$22,241.78 for new bar equipment. They have also ordered the burnt bamboo cladding for the front of the bar. The proposal for electrical work with Hoops Electric Service has been signed. The proposal with BN Design for the custom bar top design and installation has been signed. The proposal with RT Moore, the plumbing subcontractor, has been signed. Bruce purchased the sewage pump and grease interceptor from Ferguson Enterprises, saving us over \$2000. Bruce met on site with the president of Pro Playgrounds, the pavilion contractor. Fabrication is on schedule; the structure will be delivered, and roof construction will start the week of June 10th

The last Old Tiki Bar party, with special food and music, will be May 26th. The last day to use the pool and order poolside food and beverage service will be Memorial Day, May 27th. In-house work to remove TVs, fans, POS equipment, router and internet service, security cameras and equipment, bar and beverage equipment, disconnecting water and electrical service will begin early on May 28th. Demolition will begin early on May 29th.

This area will be a work zone for several weeks including when the pool deck is refinished and resurfaced. At this time there has been NO decision on opening the pool at any time during the construction. Most of the time the pool will need to be covered to protect it from debris, chemicals, construction dust, and concrete dust and particles, as well as to meet Manatee County work zone safety requirements.

Updates will be posted via email and on the Friends of Peridia Facebook page.
