Peridia will be holding our annual Labor Day Tournament on Saturday, August 31st. This is open to only members of Peridia. This event will be a 4-person scramble starting at 8:30AM. You can sign up as a team or sign up, be paired up, and meet new neighbors. The price is \$42.00 for golf and lunch or \$18.00 for lunch only. The signup sheet for this event will be posted on August 12<sup>th</sup>. There will be no holding spots early and please let us know your teams as soon as possible as there will be almost certainly be a waiting list.

To help ensure member tee times, the window has been expanded to 14 days out. Please take advantage of this change and use our great golf course.

Please remember to drink plenty of water or fluids while on the course. With temperatures staying consistent in the 90's (feeling like 100's). The outside staff will be refreshing the ice coolers on the golf course each afternoon to make sure there is plenty of ice out there. I want to make sure everyone stays hydrated and safe. If you start to feel dehydrated or dizzy, please come off the course and relax in the pro shop.

**Golf Course closure dates  
for maintenance**

August 15th & August 16th

## General Manager's Corner

It's been an exciting month as I've started to settle into the General Manager role here at Peridia. First and foremost, I would like to extend a sincere thank you to all that attended my reception and everyone that dropped by the office to say hello and welcome me to the Club. I enjoyed telling my story and sharing some of my experiences and career highlights. I truly appreciate the warm welcome and truly look forward to getting to know everyone better and learning more about the Club, the Staff and Membership.

I was extremely honored to be invited to join the Members for the Fourth of July Scramble. The golf course conditions were fantastic, and I want to recognize our Golf Course Superintendent, Ray Bartels and his team for their efforts maintaining this beautiful property. Brian Schmidt also joined our group, and it was a pleasure to be given the grand tour of the golf course by our Head Golf Professional. The Club is lucky to have Brian's leadership in the golf operation and his passion for Peridia was evident as he shared his insight and experiences over the last seven seasons.

The transition over the last few weeks has been mostly a smooth one, largely due to the efforts of our staff. Liz, Nancy, Mona, Autumn, Nicole, Stephan and Drew have been a great resource during the onboarding process and have done a tremendous job helping me settle in and navigate the "behind the scenes" operation at the Club. Last week, I had the opportunity to meet with the Restaurant Committee, alongside our Executive Chef, Elliot Johnson to discuss some of the challenges that the Club has been facing in recent years. The meeting agenda was extensive and we were able to prioritize several items that can be addressed immediately to make improvements to the level of service, menu offering, specials and pricing. This list includes the possible addition of a monthly Saturday Night Supper Club event and a weekday Appy Hour from 4-6 on Tuesday & Thursday. The Monday Madness Buffet pricing has also been adjusted by from \$8 to \$10 to reflect rising food and delivery costs we are experiencing.

As many of you already know, we have been searching for a new Food & Beverage Manager due to the recent departure of Brad Little. Brad has accepted the Assistant General Manager position at Sarasota National and we wish him the best in his new endeavor. I'm happy to report that we have hired a new Food & Beverage Manager, Ms. Brittney Szelag. Brittney joins us most recently from the Bird Key Yacht Club, where she served as the Front of House Manager. She began her career serving and bartending at a some highly regarded local establishments, Columbia Restaurant and Wheat & Water, followed by The Ritz Carlton and The Resort at Longboat Key Club, where she focused on events, staff training and delivering high quality fine dining experiences to the Guests and Membership. Brittney will start in mid-August and we are looking forward to her arrival. In the meantime, the front of house team will be working on point-of-sale training, service training and getting ready for the much-anticipated opening of the pool area and Tiki Bar. We expect to have a detailed announcement as the Master Board, Tiki Bar Committee and I finalize an exact date as more work is completed over the next month. The Master Board has also approved the capital expense for new pool furniture and sound system to include the clubhouse and pool area. I expect a soft opening to work out any reopening issues followed by celebration event around Labor Day Weekend to officially christen this wonderful new amenity. Our website will also be getting a facelift, to include a higher functionality for online Member tee times and increased visibility of our event and dining room offerings to the public.

Throughout my career, I've been in similar situations and had an opportunity to play a significant role in reorganizing the Club's offerings to best meet the needs of the Club and the Membership. The goal is to be innovative but also to be financially responsible in our approach to managing operations, purchasing, pricing and inventory revenue management. In closing, I would like to extend a sincere Thank You to President Roell and the entire Master Board, the Search Committee, including Tom Andreacci, Bob Schippnick, Sandy Frank and the entire Interview Committee that I had the pleasure of meeting with during my preliminary visit in June. It didn't take long to realize what a special place this is and how much the staff and membership cares about the Members and the future of Peridia Golf & Country Club.

*By the Social Committee*

We hope all that attended our Summer Event, enjoyed themselves and are looking forward to the upcoming season.

We welcome our new GM, Brian Tulk, and are excited to work with him and his staff. Plans are ongoing as we anticipate the upcoming season!

We're reaching out to all our Veterans for your input for this year. If you're thinking of attending, please look into emailing a picture of yourself (past and/or present) to me, with your name and branch of service included, to [jmschippnick@yahoo.com](mailto:jmschippnick@yahoo.com).

So we may honor all! If you're not able to email it, please contact me anyway and we'll help you.

Enjoy the rest of the summer and stay safe!

## Tiki Bar Committee Update

Creative Resurfacing Solutions has finished the repair of cracks and failing concrete on the pool deck. They applied two color (Beach Sand) coats with grip additive and application of tinted Stain sealer with grip additive. Acrylic sealant put along the base of the coping and in all cracks. They ground all rough surfaces inside the bar, where the old columns were, and filled in a low spot outside the tiki bar wall.

Waiting for additional rough electrical work, restarting the fountain, and the plumbing installation of the new sink and hot water heater.

The tiki structure will be temporarily covered so a night time acrylic pour over 150 sq ft of bar top covered with 350 pounds of sand can be installed.

We have 2 more electrical inspections, 2 more plumbing inspections, and a final inspection before the soft opening of the pool and new Tiki Bar.

Thank you for your patience.

Greetings from Chef Elliot and the Peridia Culinary Team! I hope everyone is enjoying the summer season and we certainly appreciate seeing so many of you dining at the Club. We are excited about some upcoming changes, and I want to let you know about a few things in the works. For the month of August, we're going to start a new Appy Hour idea for Tuesday and Thursday afternoon between the hours for 4PM and 6PM with a rotating three-item half priced appetizer menu. This is an opportunity for you to try some of our tasty appetizers at a great price. I'll be introducing some new items as well and we hope to get some Member feedback on our new items that just might make it onto the regular menu. If this idea is well received, we will continue it into the following months. A new wine list and dessert menu is also in development with a release date of mid-August. If there's a certain varietal you prefer and would like to see on the new wine menu, please let us know.

The restaurant committee is considering the addition of a monthly Saturday evening 4-course dinner to elevate your Club dining experience. The goal is to introduce some fun and creative menus with items we usually don't have on the regular menu. With the diverse culinary team we have from varied ethnic backgrounds, we will be offering some unique menu ideas to include traditional classic Americana fare, and some new and interesting dishes inspired by Spanish, Greek, Irish, and Italian cooking methods. The team is also working on a new small bites tapas style menu to be rolled out in time for the new Tiki Bar opening, featuring new items and some of the club favorites. Additionally, I have a few ideas about themed dinner nights that I've always wanted to try, and I feel we can create some great dinner concepts for the Membership to enjoy.

I'm in the process of beginning negotiations with some new food vendors throughout the southwest Florida region to offer locally sourced items and achieve better profitability and higher quality. Brian and I have been meeting daily to bring some fresh new ideas into the mix and will continue to work with the restaurant committee and our creative culinary team to exceed your expectations. I'm confident we are on our way to a new era here at Peridia Golf & Country Club and I want to thank you for your ongoing support of the Terrace on the Green Restaurant. We look forward to seeing you soon.

Sincerely,  
Chef Elliot

# HOME INSPECTIONS BY BUDDY THOMPSON INC.

## A RESIDENT OF PERIDIA COUNTRY CLUB

Hello Neighbor: When you own or purchase a home, rental property, or a condo in Florida, you will likely need a 4 point inspection before purchasing a homeowners policy.

**WHAT IS A 4 POINT INSPECTION ?** The Roof, Electric System, Heating, Cooling and Plumbing. A 4 point inspection takes about 30 minutes and is only visual. Now your Insurance company may want you to get a Wind Mitigation

**WHAT IS A WIND MITIGATION ?** Wind mitigation is the process of adding features to your home that help withstand or increase resistance to high winds caused by a major storm or hurricane. **Why Do Florida Homeowners Need It?** *Safety:*

In addition to saving you money, mitigating your home against severe weather can also protect your family in the event of a major storm. Installing hurricane shutters on your windows or hurricane straps on your roof reduces the risk of flying debris penetrating your home and putting your family in danger.

Now if you are selling a home or condo, you may want to get a inspection to make sure everything is working properly and no issues like water stains in the attic, leaky faucet, appliances, hot water heater etc. A new buyer will have an inspection before purchasing so you don't need problems. If I can be of any help please feel free to call on me. I'm just around your corner. Thank You. Buddy Thompson . 941-704-0072

**My name is Michael Brown, I moved to Peridia last year on Pro Am Ave E.**

**I have over 25 years' experience in the Home Improvement industry as a licensed builder and remodeler. I can offer you many services including carpentry, electrical, plumbing, sprinklers, low voltage lighting and more. I have recently helped several neighbors with repairs to their homes over the last year. (References are available)**

**I also offer water treatment services. Having a water softener/filtration system will extend the life of "water using" appliances including your water heater. Florida's high chlorine levels can cause exasperate eczema/psoriasis and cause dry skin, rashes, or dry scalp. Reverse Osmosis systems will provide you with purified cooking and drinking water from your tap, saving money by eliminating the need to purchase bottled water. I would be happy to offer solutions to best suit your individual situation. Text or call me at 941-301-8837 Please leave your name, number and address if I don't answer your call.**

**GET AN ANTIBODIES TEST!**

Antibodies are proteins your body makes to help fight off an infection. The only way to know for certain if you've had COVID-19 is to have your blood tested to see if you have the antibodies that fight the virus. If you do have them, scientists aren't sure how well they'll protect you from getting it again. But some studies show that people who have those antibodies are less likely to get COVID again.

Your neighbor,

~ Elaine
