General Manager's Corner

Welcome to October! First and foremost, thank you for your patience as we closed the club to brace for the uncertainty of Hurricane Helene. With the potential of power outages and safety, we asked our staff to remain at home with family until the storm passed. We were able to reopen after being closed for two days.

This month begins the prelude to the "busy" season as we prepare for the arrival of our seasonal residents. We've already started to see several Members returning and I'm looking forward to meeting everyone as they arrive. It's been 90 days since I started here at Peridia and I've had the chance to meet with several of our committees and the planning is underway for some great events and enjoyable social activities to engage the Membership in the upcoming months. I need to thank everyone for providing feedback as I start to learn the nuances and inner workings of the Club. On that note, the Restaurant Committee and our management team has created a short 25 question dining survey to gain a better understanding of the needs and wants of our Members as we strive to meet and hopefully exceed your expectations. The survey will be emailed to the membership on October 1st and will be available online for 2 weeks. The survey is totally anonymous so please be candid and honest with your answers. Each question has a comment box to provide additional details. There is also a paper version inserted in this newsletter that can be returned to a drop-off box located in the clubhouse lobby. We will share the survey results in the November Scorecard next month. Thank you for your participation.

Last month, we hosted our inaugural Supper Club event on September 14th, and it was a fun event for our Staff and the Members that attended. The ambiance, live music and Chef interaction made the evening special and we are making a few adjustments to our next event on October 19th in an effort to increase service efficiency and shorten the dinner service. Chef Elliot has created a French Themed menu for our next event. Did you know his culinary training from Le Cordon Bleu included Classical French Cuisine? Be prepared to be wowed and impressed with our next culinary experience at the October Saturday Night Supper Club! Our culinary team has been busy creating some great new menus for our next Supper Club and Social events. They've also added some great new lunch entrees to bring some variety and creativity to the Fall Menu.

The Tiki Bar is progressing nicely and we were able to have our first "soft-opening" night on Friday, September 20th along with a few Sunday afternoons with live music by the pool. We have a few internal issues to finalize and Bruce Webb and the Tiki Bar Committee have been busy making final arrangements to get fully operational. We are planning the official grand opening event on Sunday, October 27th and we can't thank Bruce and the TBC for their efforts on making this wonderful new amenity a reality. Our clubhouse maintenance team, led by our Maintenance Engineer, James Griffin, has done a fantastic job getting many Tiki Bar projects completed with the help of our Maintenance Technicians, Mason and Paul. They have been an integral part of the process and we are so lucky to have them on staff here at Peridia. Please keep an eye out for a formal announcement regarding the grand opening event of the new Tiki Bar! We are excited to get the pool open on a regular basis and the Tiki Bar fully operational in the coming days.

In addition to the new furniture arrival at the pool, we will soon be installing water bottle refill station in place of the existing drinking fountain located near the restrooms. We have also ordered six new chaise lounge chairs that are ADA compliant with a raised bed nearly twice the height of the current chairs, which will also remain on the pool deck, doubling the amount of available lounge chairs.

Our Friday Nights have been getting progressively busier and we have some great entertainment and dinner specials for you to enjoy. We've started adding some new musicians and entertainment to the schedule and you'll start to see more variety as we get into the winter season. If you're coming to the Club for dinner on Friday, please be sure to make a reservation so we can plan accordingly. I've also been asked to remind the Membership about the clubhouse dress code:

Continued on next page...

Continued from GM's Corner...

Clubhouse Dress Code: *“Casual country club attire is acceptable for regular dining. Acceptable casual country club attire includes blouses for women, collared shirts for men, golf shirts, knit tops, khaki pants or walking shorts, slacks, or skirts. Jeans are discouraged. Unacceptable attire includes cut offs, gym shorts or running shorts, sweat suits, jogging suits, yoga pants, ripped, torn or ragged clothing, T-shirts and tank tops. Gentlemen must remove their hats in the dining room and after 5 PM in the bar and on Sunday all day. T-shirts and hats are allowed in the tiki bar. If entering the clubhouse from the pool area, proper cover-ups are required. Thank you for your cooperation.”*

We have a few fun events added to the calendar for the month of October. Our popular Thursday 9 & Dine events begin this month with a new twist. Each event will have a theme with an accompanying buffet after golf. Non-golfers are invited to join the group for the dinner buffet after golf. Please be sure to make a reservation for golf and/or dinner. On October 12th, we will host an Oktoberfest event with live entertainment featuring “Gemütlichkeit”, a German Variety Show of music, dances, songs, comedy, culture and audience participation. Chef Elliot has prepared a great menu along with some Oktoberfest themed beer and wine. Save the date for our Luau Party on November 16th. Our Restaurant Committee has a great event planned complete with a live steel drummer, Polynesian style menu and pig roast. I hope everyone can participate in the events and I look forward to seeing you enjoy your time at the club.

Please feel free to reach out to me anytime with any questions or concerns.

Sincerely,
Brian Tulk, GM

Did you know?

In the past, I have always tried to keep my articles factual. This month is different as I am expressing my opinion.

The inaugural Saturday Night Supper Club was a huge success. The 60 members in attendance were greeted at the door with glasses of champagne. As a surprise before the first course we were served a delicious bruschetta crostini. There were choices for the first two courses. I personally had the shrimp cocktail consisting of three jumbo shrimp served with a tasty maria rose sauce. The next course was lobster bisque which was rich and creamy with generous chunks of lobster.

The entree was a surf and turf with steamed crab legs and a generous portion of angus beef. This was served with dauphinoise potatoes and seasonal vegetables. For dessert we were served a key lime layer cake with creme anglaise.

During the evening a guitarist provided quiet background music which did not interfere with table conversation. There also was a special \$5.00 drink menu.

Overall, the food was delicious and the atmosphere was appropriate for a supper club. As a special bonus, members were presented with small gift bags when leaving. Contained therein was a chocolate truffle homemade in our kitchen.

I believe that almost everyone in attendance had an enjoyable evening. A big thank you goes to Brian, Brittney, Elliott and the Restaurant Committee for daring to try something different. Brian has referred to this as the first step in elevating our dining experiences.

As I write this, there are tentative plans for a second Supper Club possibly on October 19th. This is an event that will probably sell out quickly, so watch the Scorecard and your emails for details.

We look forward to everyone joining us!

Let's begin a fabulous New Season for Peridia!

Greetings from the Kitchen & Peridia's Culinary Team!

We are excited to be gearing up for the start of the season and look forward to implementing a few changes to our menu and kitchen operations. First, I would like to extend a heartfelt thank you to my team for doing a great job at our September Supper Club Dinner. It's been awhile since we've done coursed service and the staff did a really great job executing the timing of each course and the event behind the scenes. Our Sous Chef, Stewart O'Flaherty, graciously took the lead presenting each course to the Members to explain the preparation of each item on the menu. Most importantly, he helped cultivate a fun environment in the kitchen that can sometimes be stressful in the heat of the moment for this type of dinner service. He also helped create the amuse bouche, which was a wonderful bruschetta crostini that was presented to the Members before dinner. Based on the feedback we received, it just might make it onto the menu. After the dinner, each Member left with a homemade chocolate truffle to enjoy at home, prepared right here in our scratch kitchen. Thank you to all the Members that were able to attend and I look forward to the next event in October, where I get to sharpen my knives and revisit my French Style Training for our four-course French dinner.

Several of our Members have requested adding some new lunch entrees with lighter fare to offer variety and nicer menu items at a reasonable price. You will see these new additions to the menu in early October. I hope everyone will try it and keep the feedback coming. Our goal is to exceed your expectations so please tell us what you like, and we will do our best to make it a reality. Our very popular lunch buffet begins in early October with daily soup, salad, and hot entrées. The daily lunch specials will be discontinued so please try some of the new additions and we will be sure to keep fresh new items rotating on the daily buffet.

On behalf of myself and my team, we want to thank you for your patronage, and we hope to see you at one of our upcoming events.

Sincerely, Chef Elliot

Final Report

Welcome Back Snow Birds! Hope you enjoy your new Tiki Bar! Many Thanks to our year round members for their patience over the summer, especially the Water Lilys. Thank you to Bruce Webb and the Tiki Bar Committee for their input, time, and concern for our members and staff, quality control, cost awareness, and dedication given to the project. Thank you to the Master Board for the trust in the process that was given to the TBC. Thank you to our new General Manager Brian Tulk for stepping in and picking up where the TBC left off and enhancing the overall look to the pool deck. Thank you to James and his staff for the hours of labor and dedication to the project.

Salutations from Brittney and the Restaurant Staff at Peridia!

We're eager to see everyone back for an exciting season here at the Club. Our vision is to bring more upscale dishes, wine selections, craft cocktail recipes, and service that will essentially elevate the Peridia experience. The first supper club was a huge success! We received great feedback as well as some essential criticism that will allow us to make positive improvements for future events. We are currently adding the finishing touches to the new menus that will be released early October. I have been researching new wines to bring to the club that I think you will all enjoy, and the updated wine list will be released very soon as well. If anyone has any varietals that they would like us to feature, please come see me!

We have all been anxiously awaiting the opening of the brand-new Tiki Bar and I am pleased to say that we will officially be open for full service by the end of September. In addition to this grand opening, we have many exciting new events approaching. Stay up to date with our calendar and special event announcements. I have had an opportunity to meet most of you over the last month and get a feel for the way the club operates. I can honestly say that I am excited to be a part of the Peridia family and I look forward to learning more about each one of you as well as learning new strategies and implementing more productive procedures. Thank you all for your patience as I navigate this exciting new position at Peridia Golf & Country Club! Cheers, to a long-anticipated season!
