From the Pro Shop

By Brian Schmidt

Welcome back everyone. I hope all of you that have returned from the many Northern States have had an excellent summer. Looks like the hot, humid summer days are in the past and cooler weather has arrived.

The golf course will be closed after the PLGA on November 5th, after the PMGA on November 6th, and all day on November 7th due to overseeding of the tees and fairways. The golf course will reopen on Friday, November 8th, and be cart path only from November 8th through November 10th. This is to ensure that the overseed stays in the areas that it was intended to be.

The PLGA have their election of officers Free Lunch and Scramble on Tuesday, November 12th. Make sure to sign up in the Pro Shop when we get closer to the date.

The PMGA Director's Classic dates are November 20th and November 27th. The Member/Member will be on December 4th and with a pulled pork and rib lunch to follow.

The popular member 9 and Dine golf scramble and dinner has already started on Thursday evenings at 3:30PM. You can sign up a week in advance, so please do so, as this event fills up quickly. The cost per person is \$29.75 which includes golf, dinner, tax and gratuity. Hope to see you join us for this great event.

We will be open on Thanksgiving Day. This will be a shotgun start at 8:30AM only for open golf, no event. The course will be closed after the shotgun is completed. Sign up in the Pro Shop when we get closer to the date.

Golfing etiquette this month, I would like to talk about our golf carts. Around our tees and greens, please keep the golf carts on the cart paths. We do allow golf carts 10 feet from the front on the greens if a handicap flag is needed. Please do not drive the golf carts around the greens. Also, on hole #17, golf carts are to stay on the golf course's cart path. Please do not drive the cart down the sidewalk.

Hope to see you all on the links, and happy golfing!

General Manager's Corner

Dear Members,

First and foremost, we are extremely fortunate to have survived Hurricane Milton with mostly minor damage throughout Peridia, with about 20 screen porches being destroyed and only a few homes with fallen trees causing roof damage. We are very lucky that none of our staff or residents were hurt during the storm. In total we lost about 30 trees around the golf course, 5 streetlights in the parking lot and boulevards and over 700' of the perimeter fencing along 45th St. Ray, Brian, James and their teams did a great job clearing the debris from the course and getting the property reopened as soon as possible. The tree stumps and debris piles in the parking lot will be removed in short order. In total, the non-insurable damages are around \$50,000. We are still in the process of finalizing electrical quotes for the streetlights and some additional items needing replacement. The county has started clearing the curbside piles of debris leaving the street sign replacement among the final items to complete.

As the seasons change and we begin to welcome our seasonal Members back to the club, it's a perfect time to reflect on all the exciting developments and events happening at your Club. We've been hard at work enhancing both your experience and our amenities, and I'm thrilled to share a few updates with you:

Restaurant Survey Results: Your Feedback Matters... Thank you to everyone who participated in our recent restaurant survey. Over 200 surveys were completed. Your feedback was invaluable in shaping our dining experience. Most of you expressed above average satisfaction with our service and menu variety. A common suggestion was to expand our menu offerings and focus on service training, and I'm pleased to announce that we've already implemented our new training programs and exciting new dishes based on your preferences. Several new staff Members have recently joined our team and now is the time to take our service to the next level for our new and existing team members. Our goal is to provide consistent, top-tier service to match the exceptional quality of our food. You'll notice even quicker service, more personalized attention, and a warm, welcoming atmosphere every time you visit. The Restaurant Committee is in the process of reviewing the survey results, which will be shared with the Membership in an email in early November. Thanks again for your feedback!

Supper Club: A Night in Paris... Our Supper Club's *Night in Paris* was a resounding success! The themed dining experience transported members to the heart of Paris with elegant dishes, live French music, and of course, plenty of libations. Our Culinary Team did a great job planning the event menu with perfect execution with every course. The dinner ended with a takeaway gift from the Chef, a wonderful French croissant paired with a serving of French Roast Coffee from the Sarasota Coffee Company. It was truly a night to remember, and we're already planning the next Supper Club event coming on Saturday, November 23rd, "*A Walk Through Spain*", with a Spanish Tapas theme, complete with a live classical Spanish guitarist, David Munoz, located right here in Sarasota.

New Menu Items – Highly Praised by Members & Non-Members! As previously mentioned, we recently rolled out several new entrees and the response has been fantastic. Highlights include the Burgundy Braised Short Ribs, Coquille St. Jaques Scallops, Oysters Kilpatrick and Pan Seared Tuna Tataki. My personal favorites are the SRQ Salad, the Spicy Kickin' Chicken Sandwich and the Camarones al de mojo (garlic shrimp tacos). If you haven't tried our new menu items, I hope you get a chance very soon. One of our initiatives, based on the feedback from our Members, included a focus on our gluten free offerings. Almost everything on the menu can be prepared gluten free upon request. Chef made a few adjustments to our new menu with extra accommodation for our gluten free clientele. We're committed to keeping our menu fresh and diverse, ensuring there's always something new to try and we look forward to seeing you in the Dining Room or enjoying a great meal poolside! And don't forget to finish your meal with a sweet treat from our dessert menu!

Pop-Up Sunday Barbecues... Starting last month, we launched *Pop-Up Sunday Barbecues* by the pool and prepared over 80 items off the poolside grill. Once a month, you'll enjoy a relaxed BBQ with a rotating menu of grilled favorites, cold beverages, and live music. If the weather forecast is favorable, you'll receive an email with the details of our next Pop-Up BBQ. No need to book—just drop by and enjoy a laid-back afternoon with family and friends. Our Sunday live music by the pool will continue weekly.

Thanksgiving Buffet – A Feast to Remember... With Thanksgiving just around the corner, we're preparing a spectacular buffet for you and your family to enjoy. From traditional turkey and stuffing to new culinary surprises, our buffet will feature something for everyone. This year's menu includes Carved Slow Roasted Prime Rib, Brown Sugar Glazed Carved Ham, Champagne Salmon, Chicken Piccata and a large selection of Thanksgiving Sides. Be sure to reserve your spot early, as this is always one of our most popular events. Non-Members can make reservations starting November 4th, so save your table today!

Special Events: Past, Present & Future... Our October events kicked off the Fall season with our Oktoberfest, Halloween Party and the Tiki Opening Party. The Oktoberfest entertainment and German themed buffet set the stage for an enjoyable evening. Many Members commented the event exceeded expectations and we are looking forward to the next one. The much-anticipated annual Halloween Party was sold-out of course, with the TimeTrax band rocking the Clubhouse all night. The Tiki Opening Party marked the grand opening of our newly constructed Tiki Bar, featuring a special performance by Tony and Tasha, who we hope to be a monthly fixture here at the Club. Don't miss our Luau Party at the Tiki Bar on November 16th, featuring a steel drummer, a traditional pig roast, and tropical cocktails. Aloha!

Continued from GM's Corner...

Mobile Ordering Activation...We're excited to announce the upcoming launch of our mobile ordering system, making it easier than ever to order food and drinks from anywhere on the property. Whether you're at the pool, on the golf course, or relaxing at home, you will soon be able to place orders seamlessly through your handheld device. This new technology is expected to be available later this month. We will be scheduling a seminar for all to attend to learn how to use this new technology. Stay tuned for updates!

Finally, A "Members-Only" Facebook Page...In our ongoing effort to improve our marketing efforts and communication and keep you informed; we've created a Members-Only Facebook Page. The Club currently has a public Facebook page with over 1,100 followers, however this page was created several years ago for our third-party marketing company to auto post for various events for live music and other events that included the general public. This was an unmonitored page with no one from the Club responding to messages or answering questions. We have recently gained control of the public page and will manage it, in addition to the Member's Only Group Page. This private group will provide real-time updates on events, activities, and club news. It's the best way to stay connected and ensure you have the most accurate information at your fingertips. An email will be sent with a link to the group page. You will need an existing Facebook account to join the group and be able to answer a simple question to confirm you are a resident and Member of Peridia.

New Member Online Tee Times...As part of our commitment to enhancing your booking experience, we've activated online tee time bookings in the Member's Only area of the web site in the members' login area of the website. This new system allows for quick, convenient tee time reservations, streamlining your golf experience so save a phone call and book your tee time anywhere or anytime!

What's New in the Last 90 Days?

It's been an exciting few months! Here's a snapshot of the new amenities and upgrades you've seen at the Club recently:

- **New Golf Carts:** Enjoy smoother rides and improved comfort on the course.
- **New Online Tee Times:** Streamlined for 24/7 Member bookings.
- **New Tiki Bar:** Our beautifully renovated outdoor space is ready for fun!
- **New Pool Furniture & Pool Deck:** Enjoy a refreshed, comfortable poolside space.
- **New Menu Items:** Exciting, seasonal dishes have been added for your culinary delight.

CLUB REMINDERS:

- **Golf Cart Parking:** Please remember that golf carts are to be parked in the non-handicapped spaces in the main parking lot. Several Members have had issues parking due to golf carts being in the designated handicapped spaces. Parking golf carts in the grass area adjacent to the pool gate or in front of the dumpster is also not allowed. NO Golf Cart Parking signs are being installed next week. Thank you for your cooperation.
- **Daily Lunch Specials Discontinued:** Due to the addition of the new menu items and the startup of the lunch buffet, we have discontinued the daily lunch specials.
- **Dining Reservations:** As we are entering the busy season, please remember to make a reservation for the main dining room. The space has been filling up quickly and it's always a good idea to have a guaranteed table when you arrive.
- **Extended hours for the Tiki Bar:** We have extended the menu service times of the Tiki Bar to meet the needs of our Members and to encourage dining poolside:

Sunday-Monday: 6:00pm
Tuesday-Thursday: 7:00pm
Friday-Saturday: 8:00pm

Finally, a warm welcome to our seasonal Members returning for the season! Our year-round Members have been keeping the Club going all Summer and we're thrilled to have all our Members back at Peridia. We're excited for a wonderful season full of great events, delicious food, and endless fun.

Thank you all for being part of our amazing community. I look forward to seeing you at the Club soon!

Warm Regards,
Brian Tulk
General Manager

HOME INSPECTIONS BY BUDDY THOMPSON INC.

A RESIDENT OF PERIDIA COUNTRY CLUB

Hello Neighbor: When you own or purchase a home, rental property, or a condo in Florida, you will likely need a 4 point inspection before purchasing a homeowners policy.

WHAT IS A 4 POINT INSPECTION ? The Roof, Electric System, Heating, Cooling and Plumbing. A 4 point inspection takes about 30 minutes and is only visual. Now your Insurance company may want you to get a Wind Mitigation

WHAT IS A WIND MIDIGATION ? Wind mitigation is the process of adding features to your home that help withstand or increase resistance to high winds caused by a major storm or hurricane. **Why Do Florida Homeowners Need It?** *Safety:*

In addition to saving you money, mitigating your home against severe weather can also protect your family in the event of a major storm. Installing hurricane shutters on your windows or hurricane straps on your roof reduces the risk of flying debris penetrating your home and putting your family in danger.

Now if you are selling a home or condo, you may want to get a inspection to make sure everything is working properly and no issues like water stains in the attic, leaky faucet, appliances, hot water heater etc. A new buyer will have an inspection before purchasing so you don't need problems. If I can be of any help please feel free to call on me. I'm just around your corner. Thank You. Buddy Thompson . 941-704-0072
